Clear Thinking and Writing John Langan 2010 Clear Thinking and Writing will do exactly what its title says--help students focus their thinking and improve their writing. Students will learn that the most important things to do as a thinker and writer are to: 1) Make a clear point, and 2) Provide solid support for the point. Too many writing books lose sight of the forest for the trees. Clear Thinking and Writing presents in a nutshell what students need to do to become better thinkers and writers: make a point and then support it with appropriate, well-organized specific evidence. It gets to the heart of the matter and presents clear thinking and writing as skills that students can learn--Publisher's description.

Reading and Study Skills John Langan 1994 READING AND STUDY SKILLS, Fifth Edition, Form B, is the alternate version of the Fifth Edition, Form A. It provides students with the essential reading and study skills they need to become independent learners in college. The book is also a brief guide to important word skills, and it includes coverage of motivational skills that help students approach their courses with the right attitudes. Students learn by doing, and so the book offers an abundance of practice activities. In all, there are over 200 exercises that help students learn key comprehension skills. The latest edition contains a complete chapter taken from an introductory sociology text, with which students can practice their reading and study skills. Form B differs from Form A in its reading selections and activities. Instructors, thus, can separate forms of the book from one semester to the next, or from one class to the next.
