The Rock Star and The Lifeguard Jackie Collins
2013-04-10 Everybody wanted to go to bed with Tony Guiseppi, it had been that way since seventh grade. And not only females, males felt that way too - they were always coming onto him, eyeing him appreciatively, inviting him to a ball game, lunch or a night on the town. Anything he wanted in fact. In fact, he wanted nothing. Tony Guiseppi had learned at an early age that looks were only the package. He knew he was exceptionally good looking. It did not impress him. Tony Guiseppi was half Italian (his father, Roberto, was

a crotch-stroking, drunken native of Naples, who came to America in 1972 for a vacation and stayed), and half American (his mother, Ruth, would have been a Jewish princess if only her family had possessed money). As it was she was a waitress when his father came upon her - literally. The World Is Full of Married

Men Jackie Collins 2013-04-10
First published in 1968, The World is Full of Married Men was branded as "shocking," especially coming from a female author but despite being banned in several countries for its scandalous content became a #1 bestseller in just two weeks! Always

ahead of her time, in her racy debut, Jackie Collins flips on its head the hypocritical double standard of it being okay for men to sleep around but not for women. Successful London ad executive David Cooper is still sexy at forty. Plus, he's got money and power, and therefore, any woman he wants for as long as he wants. His marriage to his nagging wife, Linda, has never gotten in the way of that. When gorgeous starlet Claudia Parker enters the picture, he becomes so smitten that he's ready to divorce Linda to marry Claudia. But Claudia has no intentions of being shackled by a ring on her finger. When the relationship falls apart, he vies to get his wife back. Except Linda's already moved on, swept up in a racy romance with Hollywood producer Jay Grossman. Despite David's pleas, there's no way she's giving up her glamorous new lifestyle for the likes of him. David soon becomes a broken shell of a man, facing his fifties alone. As his once-meteoritic career success takes a

catastrophic dive, he finds comfort in the bottle and in the arms of his dowdy secretary, Harriet, while Linda's life only gets better. Will there be a redemption for David? Or will karma get the last laugh in this sizzling, fast-paced, and thoroughly entertaining page-turner--the novel that launched Collins into her role as the Queen of flashy fiction. hr Read both of The World is Full series, as well as all the New York Times bestselling books by Jackie Collins! 1.
