**Guns & Thighs** Ram Gopal Varma 2015-12-01 In these delightfully candid musings about his life and his cinema, RGV reveals the man behind pioneering Telugu and Hindi films such as Shiva, Rangeela, Satya, Sarkar, Bhoot and Company. Discussing a wide range of subjects, from the influences and circumstances that drew him to films to his cinematic techniques, his successful and unsuccessful films, his Bollywood idols, his relations with the media and the controversies dogging him, Guns & Thighs is as much about RGV's life and philosophy of life as about his films and the Indian film world. Characteristically, he pulls no punches, whether he's talking about movies, women or the media. Even when it comes to his own films, he embraces his failures as much his successes and dissects them with rare honesty and humility. Refreshingly contrarian and politically incorrect, this book discloses a perspective as colourful and larger than life as Indian films. It is not for

RGV fans alone but for all those passionate about cinema and the people associated with it.

Love and Sex with Robots David Levy 2009-10-13 Love, marriage, and sex with robots? Not in a million years? Maybe a whole lot sooner! A leading expert in artificial intelligence, David Levy argues that the entities we once deemed cold and mechanical will soon become the objects of real companionship and human desire. He shows how automata have evolved and how human interactions with technology have changed over the years. Levy explores many aspects of human relationships—the reasons we fall in love, why we form emotional attachments to animals and virtual pets, and why these same attachments could extend to love for robots. Levy also examines how society's ideas about what constitutes normal sex have changed—and will continue to change—as sexual technology becomes increasingly sophisticated. Shocking, eye-opening, provocative, and utterly convincing, Love and Sex with Robots is compelling reading for anyone with an open mind.

*Hema Malini* Ram Kamal Mukherjee 2017-10-10 One of the most enduring divas of Hindi cinema, a producer and director for films and television, dancer and choreographer par excellence, magazine editor, an active member of Parliament and now a singer, Hema Malini wears many hats with admirable ease. No other industry name comes close to matching the breadth of her achievements. In an industry where the male star has traditionally driven the commercial success of films, Hema was an exception, with her name alone sufficing to ensure a film's box-office glory. She was, arguably, India's first female superstar. Apart from starring in mainstream super-hits like Johny Mera Naam, Jugnu, Andaz, Seeta Aur Geeta, Sholay and, more recently, Baghban, she received critical acclaim for her performances in Lal Patthar, Khushboo, Kinara, Meera, Ek Chadar Maili Si and Razia Sultan. But there is much more to her than just her Bollywood journey. From her efforts at reviving and sustaining classical dance to her graceful handling of her personal life and the controversies that have plagued her in her political avatar, from her relationships to her religious beliefs and her recent tryst with singing, Hema Malini: Beyond the Dream Girl covers it all. With detailed interviews and exclusive anecdotes from her family, friends and co-

actors, this is an inside look at the remarkable life of one of our greatest cinema icons, someone who has truly lived life on her own terms.

**Incomparable** Brie Bella 2021-01-12 THE INSTANT NEW YORK TIMES BESTSELLER A raw, honest, and revealing co-memoir by Brie and Nikki Bella: twin sisters, WWE Hall of Fame inductees, and stars of the hit E! shows Total Bellas and Total Divas. As twins, the Bellas have always competed. Legend has it that Nikki drop-kicked Brie in the womb so that she could make her grand entrance first. But the rest of the world often treated them as identical and even interchangeable, so they decided to do something about it. After they made it into WWE, the Bellas accomplished so much together: bringing in young girls and women while building the Bella Army, helping the transition of female performers from Divas to Superstars, starring in Total Divas and Total Bellas, and founding companies like Birdiebee, Nicole + Brizee Beauty, and Bonita Bonita Wine. Though their early journey began with loss, abuse, and plenty of rough times, these challenges "shined the diamond." They resolved to be survivors and the heroes of their own stories, and to take control and responsibility for their lives. Eventually, they would come to show girls everywhere that they can do anything. The Bellas may be identical twins—but as individuals, they have proven themselves Incomparable.

*The Polyester Prince* Hamish McDonald 1998 Dhirubhai Ambani's life is a rags-to-riches story, from Bombay's crowded pavements and bazaars to the city's extravagantly wealthy social circles where business tycoons, stockmarket speculators, smugglers, politicians and Hindi film stars mingle, make money, make and break marriages and carry out prolonged feuds. This is the story of a rising capitalist group in post-independence India. Until the arrival of Ambani, and now more like him, India's big business scene was dominated by a few industrial houses from British times. Ambani's Reliance group has risen to rival these houses in just 26 years since its foundation. By 1995, the group had 2.6 million investors, one in every eight Indian sharemarket investors, and is now so large that it has to hold its annual general meetings in football stadiums. Along with expansion, however, have come the intricate political connections, a whole raft of corruption charges and a rollercoaster of booms and crashes for Ambani and his company. This study shows how capitalism emerges by fair means and foul in the new industrial countries of the Third World and explores the life of an Asian tycoon.

**Cinema of Interruptions** Lalitha Gopalan 2019-07-25 A framework for understanding the distinctiveness of Indian cinema as a national cinema within a global context dominated by Hollywood is proposed by this book. With its sudden explosions into song-and-dance sequences, half-time intermissions and heavy traces of censorship, Indian cinema can be identified as a 'Cinema of Interruptions'. To the uninitiated viewer, brought up on the seamless linear plotting of Hollywood narrative, this unfamiliar tendency towards digression may appear random and superfluous, yet this book argues that such devices assist in the construction of a distinct visual and narrative time-space. In the hands of imaginative directors, the conventions of Indian cinema become opportunities for narrative play and personal expression in such films as 'Sholay' (1975), 'Nayakan' (1987), 'Parinda' (1989), 'Hathiyar' (1981) and 'Hey Ram!' (1999). 'Cinema of Interruptions' places commercial Indian film within a global system of popular cinemas, but also points out its engagement with the dominant genre principles implemented by Western film. By focusing on the action-genre work of leading contemporary directors J.P. Dutta, Mani Ratnam, and Vidhu Vinod Chopra, brazen national style is shown to interact with international genre films to produce a hybrid form that reworks the gangster film, the western and the avenging woman genre. Central to this study is the relationship Indian cinema shares with its audience, and an understanding of the pleasures it offers the cinephile. In articulating this

bond the book presents not only a fresh framework for understanding popular Indian cinema but also a contribution to film genre studies.

**Calcutta** Amit Chaudhuri 2013-01-15 In 1999, Amit Chaudhuri returned with his family to Calcutta. He did so tentatively. Calcutta was where his parents had moved after retirement; it was the city he had loved in his youth and in whose lanes he had spent tranquil childhood holidays; one he had made his name writing about. But that Calcutta had receded and another had taken its place. Calcutta is Chaudhuri's account of two years (2009-11) in the great metropolis. Using the idea of return and the historical elections of 2011 as his fulcrum, he travels between the nineteenth century, when the city burst with a new vitality, to the twenty-first century, when, utterly changed, it seems to be on the verge of another turn. Along the way Chaudhuri evokes all that is most particular and extraordinary about the city—from its houses with their slatted windows to its effervescent cultural life. He paints, too, an acute, often ironic picture of life in the city today—of its malls and restaurants, its fitful attempts to embrace globalisation, its middle class who leave and then return reluctantly, its bygone aristocracy, and its poor. Lyrical, brilliantly observed, and profound, Calcutta is, among other things, an extraordinary meditation on the problem of living in, understanding, and imagining a city. It is a masterpiece, and one of the great books written about this unforgettable metropolis.

*Rajinikanth* Naman Ramachandran 2014-01-15 Rajinikanth is, quite simply, the biggest superstar cinema-crazy India has ever seen. His stylized dialogues and screen mannerisms are legion, and his guy-next-door-cum-superhero image has found a hysterically appreciative following among millions of moviegoers. Naman Ramachandran's marvellous biography recounts Rajini's career in meticulous detail, tracing his incredible cinematic journey from Apoorva Raagangal (1975) to Kochadaiyaan (2013). Along the way, the book provides rare insights into the Thalaivar's personal life, from his childhood days to his times of struggle—when he was still Shivaji Rao Gaekwad—and then his eventual stardom: revealing how a legend was born.

*Hema Malini: The Authorized Biography* Hema Malini 2008-02-01 Hema Malini, the quintessential 'Dream Girl' of Hindi cinema, has truly nurtured a dream and followed it to its realization. After being unceremoniously dropped from her first Tamil film as the director felt that she didn't have 'star quality', Hema signed the Hindi film she was offered opposite Raj Kapoor. Just eighteen, she soon conquered the hearts of all moviegoers with her beauty, grace and charisma. From Johnny Mera Naam to Sholay, from Meera to Baghbaan, she has portrayed a diverse range of characters that will always remain a part of film legend. Raj Kapoor, Dev Anand, Sanjeev Kumar . she worked with all the leading stars, but it was with Dharmendra that the chemistry on screen was palpable. The special bond she shared with Dharmendra set the rumour mills buzzing, and defying all conventions, Hema married her Jat hero in May 1980. Striking a perfect balance between her personal and professional life, Hema maintains a dignity about the little world she shares with daughters Esha and Ahana. This intimate portrayal, the first authorized biography, by Bhawana Somaaya is a result of her long years of association with Hema as a film journalist and critic. Hema speaks to Bhawana more candidly than ever before about her life, with and without Dharmendra, her children, her mother and her twin passions of dance and acting.

**The Legend of Lakshmi Prasad** Lakshmi Prasad 2016-10-28 I am

Lakshmi Prasad, native of Bitihar. I am doing PhD on a very important subject "Mating habits of gay chimpanzees in West Africa" at PANU University, the best University in India and possibly the best University in the world. My idols are "Faizal Guru", "Janab Kasab Sahib", "Focus Carat", "Baba Badkar", "Zakir Nalayak", "Gharkha Dutt", "Dr. Kana Ayyub" and all PhD students who had committed suicide since they failed to solve their PhD problems. I personally feel that, all deprived Indians should automatically be awarded a PhD degree coupled with a free pension of 1 lakh rupees/month to be delivered in cash via post at door step. Till then we are going to fight for azaadi from India. Imagine a day, when no PhD student would have to commit suicide, imagine a day, when no lower caste will be humiliated by upper caste, s/he can use his/her doctorate degree and force others to call him/her Dr. X, Dr. Y, etc.

**Gujarat Files** Rana Ayyub 2016-05-18 Gujarat Files is the account of an eight-month long undercover investigation by journalist Rana Ayyub into the Gujarat riots, fake encounters and the murder of state Home Minister Haren Pandya that brings to the fore startling revelations. Posing as Maithili Tyagi, a filmmaker from the American Film Institute Conservatory, Rana met bureaucrats and top cops in Gujarat who held pivotal positions in the state between 2001 and 2010. The transcripts of the sting operation reveal the complicity of the state and its officials in crimes against humanity. With sensational disclosures about cases that run parallel to Narendra Modi and Amit Shah's ascent to power and their journey from Gujarat to New Delhi, the book tells you the hushed truth of the state in the words of those who developed amnesia while speaking before commissions of enquiry, but held nothing back in the secretly taped videos which form the basis of this remarkable read.
