**Clinical Manual of
Emergency Psychiatry**
Michelle B. Riba
2015-09-16 The second
edition of Clinical
Manual of Emergency
Psychiatry is designed
to help medical
students, residents, and
clinical faculty chart
an appropriate course of

treatment in a setting
where an incorrect
assessment can have
life-or-death
implications. Arranged
by chief complaint
rather than by
psychiatric diagnosis,
each chapter combines
the fresh insights of an
accomplished psychiatry
trainee with the more

seasoned viewpoint of a senior practitioner in the field, providing a richly integrated perspective on the challenges and rewards of caring for patients in the psychiatric emergency department. This newly revised edition presents current approaches to evaluation, treatment, and management of patients in crisis, including up-to-date guidelines on use of pharmacotherapy in the emergency setting; suicide risk assessment; evaluation of patients with abnormal mood, psychosis, acute anxiety, agitation, cognitive impairment, and/or substance-related emergencies; and care of children and adolescents. The editors have created an accessible text with many useful features: A chapter devoted to effective strategies for

teaching, mentoring, and supervision of trainees in the psychiatry emergency service. Chapters focused on assessment of risk for violence in patients, determination of the need for seclusion or restraint, and navigation of the legal and ethical issues that arise in the emergency setting. Clinical vignettes that contextualize the information provided, allowing readers to envision applicable clinical scenarios and thereby internalize important concepts more quickly. Constructive "take-home" points at the end of each chapter that summarize key information and caution against common clinical errors. References and suggested readings to help readers pursue a deeper understanding of concepts and repair any gaps in knowledge.

Emergency psychiatry is one of the most stressful and challenging areas of practice for the psychiatric clinician. The guidelines and strategies outlined in Clinical Manual of Emergency Psychiatry, Second Edition, will help psychiatric trainees and educators alike to make sense of the complex clinical situations they encounter and guide them to advance their skills as clinicians and educators.

Hyde and Seek Layla Frost 2015-04-02 Piper
Skye is rock 'n' roll. She's party all night, sleep all day. She's get wild and be free. Or she would be if she had the time. And the energy. And not being so awkward would probably help, too. As the owner of a thriving dessert business, Piper spends her days at school and her nights elbow deep in batter and frosting. She's confident her hard work and sacrifice will pay off as long as she

stays focused and sticks to the plan. Jake Hyde is a workaholic with a jaded outlook on life. Surrounding himself with employees he considers his brothers, he long ago made the decision that his custom garage would be his focus.

Fate, as it often does, has other ideas. Plus, a killer sense of humor. Thrown together by coincidence, the gruff mechanic and the sweet as sin baker have instant sparks.

Suddenly, all of their carefully made plans have taken a giant freakin' left turn. And they do it on the back of a Harley.

2014-09-13 " Great beauty hides dark secrets..." Seventeen-year-old Anastasia Lockhart has never led an easy life, but when she starts getting into serious trouble, she's sent to live with her

grandparents in Cedar Falls. The small, picturesque town hasn't changed since she visited four years ago, with one exception - the presence of a handsome, mysterious boy named Frost. Despite warnings from her grandparents and friends to stay away from Frost, Anastasia can't deny their attraction, and the more time they spend together, the deeper in love they fall.

Unfortunately, Frost has a secret that is beyond Anastasia's wildest imagination, and she soon finds herself in the midst of a supernatural legend that has haunted Cedar Falls for years. Can Anastasia and Frost's love really overcome anything, or are their fates much darker?

Pediatric palliative care is a field of significant growth as health care systems recognize the benefits of palliative care in areas such as neonatal intensive care, pediatric ICU, and chronic pediatric illnesses. Pediatric Palliative Care, the fourth volume in the HPNA Palliative Nursing Manuals series, highlights key issues related to the field. Chapters address pediatric hospice, symptom management, pediatric pain, the neonatal intensive care unit, transitioning goals of care between the emergency department and intensive care unit, and grief and bereavement in pediatric palliative care. The content of the concise, clinically focused volumes in the HPNA Palliative Nursing Manuals series is one

resource for nurses preparing for specialty certification exams and provides a quick-reference in daily practice. Plentiful tables and patient teaching points make these volumes useful resources for nurses.

The Warlock Queen Quinn Loftis 2021-05-25 She is and will be, until her time comes, the warlock queen. ~Cypher, the warlock king. Peace has come amid the storm. But the cost by which that peace was earned was great—the lives of the Romanian pack alphas, and Cypher, king of the warlocks. Now, the Great Luna has declared a period of mourning, allowing her children a brief respite in their battle against the Order of the Burning Claw. A violation of the command means certain death. But peace doesn't extend to everyone. Lilly Pierce, the surviving widow of

the warlock king, must now take his place as the leader of the warlock race. Unfortunately, she's in no condition to do it. Her heart has been shattered. Lilly has found love twice in her life, and both times, it's been ripped away. Now, the warlock clans are looking to their new queen for guidance, or waiting for her to falter. To keep her throne, Lilly will have to prove she's worthy of it, or risk losing more than just her title. The last thing the queen needs in her grief-stricken state is to start hallucinating... Murderer. Traitor. Outlaw. These are just a few of the words that describe, Myanin, the disgraced djinn warrior. And for a time, those words didn't bother her. But as the djinn becomes more acquainted with the inner workings of the

Order of the Burning Claw, she begins to understand how truly evil her fellow supernaturals can be. Is that really the person she wants to be? Is that the life she wants to lead? Not long ago, Myanin would have done anything to get back at her former lover, Thadrick, including murder. But an encounter with her Creator has the djinn questioning everything, including whether she is beyond redemption. Two women, both suffering loss, both languishing in their misery, both faced with impossible choices. Is it possible the queen and the djinn could find salvation in one another?

2012-06-04 He is

mine and I am his. I will move every obstacle in my way to remind him. Decebel Anghelescu is one of the strongest Canis lupus on earth, an alpha in his own right. Now that he's found his mate, the feisty blonde, Jennifer Adams, he could be stronger still, a powerful asset to the Romanian Greys. But he's been crippled by a devastating curse, one cast by an unknown enemy, a witch of incredible power. The spell threatens to dissolve the fragile new bond with the woman that is the other half of his soul. It will take the help of an entire pack to break it, but has too much damage already been done? Meanwhile, injured and alone, Jennifer fights for her life, and it appears to be a losing battle. Now, she has come to terms with her fate, accepting she won't share a life with

Decebel...and what a life it would have been. But help comes in the most unexpected form...the discovery of a long-lost healer. The Romanian alpha, Vasile Lupei, will have to use all his resources – including Sally Morgan, the new gypsy healer of the Romanian pack – to battle the witch, lift the curse from Decebel and reunite him with his mate, and solve a mystery that's been surrounding the Romanian pack for 300 years.

whole night.” ~Hans Christian Anderson Since the dawn of time, Brudair, otherwise known as the Sandman to the world, has faithfully lived out his purpose, faithfully performed his duties. He has never questioned his lot among the immortals, until now, until her. Sarah Serenity Tillman, a consummate beauty both inside and out, is a high school senior five months from her graduation. She has great plans, dreams of leaving the small town of her childhood behind her forever. But destiny has other plans, and it’s the Sandman’s job to make sure those plans are fulfilled. The tall muscular Sandman, known as Dair to his friends, dressed in black, wrapped in shadows, is more than a myth. And he has a job to do. His very existence makes him a creature of the night,

because dreams, (yes the legends got that part right), were indeed his specialty. But his purpose was more than just weaving dreams for sleeping children. No, his dreams were made to influence, made to ensure that certain special individuals, those individuals who would change the course of history, actually accepted their chosen destiny. Little does Serenity know that she is Dair’s next assignment. And the dream that he weaves for her, if she follows its influence, will change the course of, not only her life but possibly the whole of history as well. But she isn’t the only one being influenced. The beauty inside of her was weighing on the Sandman, lighting up the darkness that was his constant companion. Her light was warmth, it was life, and

he didn't understand how he had survived the previous millennia without it. The Sandman was indeed greater than anything humans had ever imagined, and his purpose was vital to the course of history. So what happens when the weaver of dreams gets so distracted by a mere human that he ignores his own duties in the immortal realm? How can an immortal who was never meant to have a mate, join a young woman in her destiny without irrevocably changing the lives of millions and potentially altering history in a way the Creator never intended? "Dream of me, Princess," Dair whispered into her ear. "Then weave me a dream, Sandman," she said softly. "And we can dream together." As her eyes grew heavy, she heard Dair's voice telling her to sleep, to open her mind to him and

let him in. I'm all yours, she thought as sleep finally claimed her.

spoken. Alliances broken. Will duty come before love? *The Viking's Captive* is the exciting sequel to *The Viking's Chosen* by USA Today Bestseller Quinn Loftis. Torben is faced with a terrible choice: rescue the woman he loves from the clutches of a madman, or save his people from attack by a ruthless foreign invader. He longs to save Allete, especially since the clan's oracle has prophesized that she will become his queen and help unite the clans. But if saving the princess means abandoning his clan, the choice would be unconscionable. Torben races across land and sea on a collision

course with Magnus, Allete's kidnapper and Torben's former king. Their meeting will change the fate of Clan Hakon-either saving it from destruction or splintering it forever. Will Torben be able to rescue Allete before Magnus' actions ruin them all? Or will Cathal find the princesses first, enslaving them and using them for his own twisted purposes? Swords will clash and arrows will fly before the fate of Allete and Torben is finally decided. Then, want. But in the end? Heartbreak. My celebrity life was supposed to be easy, and

this movie was the biggest break of my career. But from the moment Officer Levi Fox gave me a speeding ticket on my way into town, he's been nothing but a thorn in my side. Dominant. Cocky. Callous. Midnight blue eyes, a bad attitude, and muscles for days, he's exactly the kind of man I should avoid. But as the Cold, Montana Police Department's official movie liaison, he's taken up a permanent place in my life that I can't shake. We fight. A lot. Then, we kiss-and my carefully crafted hate toward him no longer feels so much like hate. I'm falling falling falling. But how often do alpha-jerks cushion the landing? ordinary 17 year old girl getting ready to start her senior year in high school in Coldspring, Texas. When a mysterious foreign exchange student from Romania moves in across the street, Jacque and her two best friends, Sally and Jen, don't realize the last two weeks of their summer was going to get a lot more interesting. From the moment Jacque sets eyes on Fane she feels an instant connection, a pull like a moth to a flame. Little does she know that the flame she is drawn to is actually a Canis Lupus, werewolf, and she just happens to be his mate; the other half of his soul. The problem is Fane is not the only wolf in Coldspring, Texas. Just as Fane and Jacque are getting to know each other, another wolf steps out to try and claim Jacque as his

mate. Fane will now have to fight for the right to complete the mating bond, something that is his right by birth but is being denied him by a crazed Alpha. Will the love Fane has for Jacque be enough to give him the strength to defeat his enemy, will Jacque accept that she is Fane's mate and complete the bond between them?

Bound by Earth Quinn Loftis 2020-02-25 Tara Thompson cannot be injured. Since the night her parents died in a tragic accident, she hasn't felt pain of any kind, not so much as a papercut. And she has no idea why. Though her body healed quickly, her heart and soul took its time. Luckily, a loving foster mom and an

unwanted best friend stepped in to speed up the process. Despite Tara's best efforts, her new BFF, Shelly Smith, just wouldn't go away. By their senior year, the girls were thick as thieves and would probably become thieves if Shelly had anything to say about their future. Thankfully, fate intervenes in the form of a high school recruiter, Elias Creed, who works for a mysterious geological testing company. Cue the dreamy music and soft lighting as he walks in slow motion toward her. Then Elias opens his mouth and Tara laments the fact that the first guy she's ever been seriously attracted to...is a complete and utter butthead. Still, she can't seem to shake him, and she and Shelly are both intrigued by the company he works for. Little do they know

it's not a company at all. It's an academy for those gifted with elemental powers and she's already been enrolled. And Elias isn't Tara's only suitor. The hottest guy in school--Tucker Adams--has been asking Tara out for the past three years and each time she's shot him down. Now, he's finally broken down her walls. But when Elias and Tucker both warn Tara the other is dangerous, she doesn't know who to believe. When the truth is finally revealed, Tara finds out both men know more about her past than she does, including what caused the accident that took her parents' lives. *Directorate S* Steve Coll 2018 Examines "America's intelligence, military, and diplomatic efforts to defeat Al Qaeda and the Taliban in Afghanistan and Pakistan since 9/11"--Amazon.com.

Happy Hour Shey Stahl 2012-04-03 Between revving engines, smoking tires, and high speeds, two friends form a vital bond in the shadows of the blaring spotlight. Sway Reins, a track owner's only daughter, and Jameson Riley, a gritty NASCAR rookie driver, have been best friends since they were kids. Over the years, Sway becomes his safety shield during his rapid rise to the elite levels of auto racing. A night of celebrating a victory leaves Sway believing that she can convince Jameson to fall in love with her. She becomes determined to be more than just a pit lizard trolling the pits. Little does she know that this steadfast racer has his own idea of revelry. Soon their compression ratios are timed exactly right and all the reciprocating motions have led them to

happy hour. As their passion revs, the inner workings of an internal combustion engine have never been so erotic. Just a taste turns into a thirst neither of them saw coming. Can she convince this rookie he can have love and his dream?

The Wolves Descend Quinn Loftis 2021-12-29 The fight for dominance begins. The period of mourning for the great alphas, Vasile and Alina, is over. But some refuse to move on. The high fae, Perizada, vows never to experience the loss of her friends--her family--again. She knows the only way to do this is to take on the Order of the Burning Claw herself. But her mate would never allow it. So, she does the only thing she can, severing all ties with her allies. Peri's decision could destroy her enemies, the Order, but

it could also destroy everything she holds dear. The end of mourning also marks the beginning of challenges to the new alpha of alphas, Fane Lupei. Rogue wolves who desire to rule in his stead attempt to stake their claims. Though Fane abides by pack law when facing his opponents, others aren't so honorable. Fane soon realizes the threats he faces aren't just against him, but against his entire pack. Skender and the fae, Tenia, fight against the mate bond drawing them closer. They both know they cannot be together, but the bond is more powerful than either expected. Meanwhile, Skender has promised to keep Tenia's son, Torion, safe--a promise he's willing to die to keep. Skender soon finds out that there's more to the boy than meets the

eye, and Skender's ability to keep the boy safe could be the key to saving them all.

The Viking's Chosen

Quinn Loftis 2018-02-12

The prophesy must be fulfilled. His orders are clear: launch a raid against England and bring home the spoils of war. But the prophecy is also clear: General Torben will take a foreign bride—one who is a seer and healer just like his mother. The eldest princess of England is said to be just that...a beautiful, charming, and headstrong woman. But he's a Viking army general and she's an English princess—and one who is already promised to the king of Tara. Two worlds collide in this epic historical fiction centered on an undeniable chemistry that smolders against the odds. Richly written and injected with moments of humor, this

action-packed romantic tale will leave you breathless. Quinn Loftis is the author of twenty novels, including the USA Today Bestseller *Fate and Fury*. Books in the Clan Hakon Series: *The Viking's Chosen* (February 2018) *The Viking's Captive* (Winter 2018) *The Viking's Consort* (Fall 2019) *Wolf of Stone* Quinn Loftis 2014-10-31 Dalton Black, a *Canis lupis* full of guilt and anger, never expected to find his true mate. Perhaps already slipping into madness, he had resigned himself to the fact that he would walk the earth without the other half of his soul. He was convinced that his sins were enough to keep the Great Luna from giving him such a blessing. He knew it was probably better that way. His past was as dark as his name and after three centuries of running

from it, the memories were finally catching up to him. But all of those resignations evaporated when he saw her broken and bloodied body lying on that altar. Though the man didn't recognize her, the wolf did. Through battle and bloodshed he was able to save her from the evil that held her captive, but now he would need her to save him from himself. Jewel Stone was wholly unaware of the ancient bloodlines of Gypsy Healers, mates to Canis lupis and protectors of the packs—much less that she carried that blood herself. But when a beautiful but deadly woman showed up in her home and ripped her from her realm, she knew her life would never be the same. Her mother, Gem, a fortune teller, had warned her that something was coming, that her life was about

to change dramatically, but like everyone else, Jewel had dismissed her as a crazy person. Jewel was the laughing stock of her school simply because Gem was her mother. And up until now, her life was one big disappointment after another. Instead of heeding her mother's warning, she hid in her books, burying herself behind knowledge, both fact and fiction. She escaped into worlds created by others and filled her mind with facts of every kind in an effort to push away the hurtful words that others bombarded her with. Despite all of her knowledge and all of her fantastical stories, she never dreamed her own future would be full of adventure, danger, passion and the possibility of unconditional love. As she lay unconscious after her first bloody

encounter in the fae realm, her only chance of survival lay in the hands of a man scarred by his past, disfigured both emotionally and physically, and beyond the reach of any who had tried to help him. Can two broken people, who carry the other half of each other's souls span the chasm between them and restore the innocence ripped from both their lives? Will they let the promise of healing love overcome the difference in age and experience, and the separation of species and realms? Or will they give in to the fear and doubt that would keep them from one another for eternity?

I Survived the Great Chicago Fire, 1871 (I Survived #11) Lauren Tarshis 2015-02-24 Could an entire city really burn to the ground? Sacrifice of Love Quinn Loftis 2013 As one evil

falls, another rises in its place. The powerful witch, Desdemona, has finally been killed by an alliance of wolf, elf, and fae. But Reyaz, brother to Cypher the warlock king, has vowed retribution for a life that was taken from him. Now Cypher must decide not only how to protect his newfound mate and his people, but also how to destroy the only family he has left. Meanwhile, Jen's pregnancy progresses and the fateful due date draws ever nearer. The thought of losing Decebel's child constantly threatens to overwhelm her. With each passing day, Decebel grows more distant, causing Jen to wonder what toll the impending loss of their child is taking on him. Unbeknownst to Jen, in an act of desperation to protect his unborn child and mate, Decebel

strikes a deadly bargain with the Great Luna-his life in place of his child's. There is only one way for that to happen; the bond between he and Jen must be broken. As Jen as Decebel struggle through their darkness, another kind of darkness is infiltrating Fane's heart. Doubts and questions linger as he tries to cope with the emotions brought on in the aftermath of Desdemona's curse. He knows what happened wasn't real, but still he can't rid himself of the terrible images seared into his memory. Jacque is his light, the one who keeps the darkness at bay, yet he won't let her inside to do just that. Sally continues to learn what it means to be a gypsy healer and Costin struggles to protect her as she runs full speed ahead to help her

wolves, heedless of her own safety. She sees her best friends struggling, each enduring their own trials. She's desperate to help them, but can she keep them safe? With all of these things hanging heavy over the heads of the Serbia and Romania packs, their attention is divided. The wolves do not even realize a threat has slowly infiltrated their midst. Will they recognize the threat in time to save the lives that precariously hang in the balance? Against this backdrop of darkness, choices will be made, fears will be confronted, and the ultimate sacrifice will be made. Will the wolves stand together to defeat the threats arrayed against them, both from within and without? Will love conquer all? Or will the beleaguered wolves finally succumb to their demons?

Into the Fae Quinn

Loftis 2014-06-06 With peace finally descending on the Romanian Grey Wolves, longtime fae ambassador to the wolves, Perizada, has been given a new mission by the Great Luna. But Peri's desire for revenge against her sister, Lorelle, burns in her heart. Further complicating matters, the great white wolf, Lucian Lupei, has been returned to the pack after centuries trapped in the Dark Forest, and it appears he is destined to be with Peri. Can she put aside her thoughts of vengeance long enough to accept Lucian's love and complete her mission?

Cleansed By Water Quinn Loftis 2020-08-11

Nothing is stronger than the power of a soulbond, even the end of the world. Gabby Gellar is a fire elemental with an attitude. She has been told so many times by her parents that she's worthless she no longer questions that truth. Pushed away by the only people she's ever loved, Gabby shuts everyone out. Friends, acquaintances, buddies, chums, and especially romantic relationships, are kept at arm's length, or further if she can help it. Gabby knows she could never be good enough to be anyone's girlfriend,

much less someone's soulbonded. So why does the thought of a certain water elemental have her out of bed well past midnight, pacing and cursing, trying to deny the part of her that's silently calling to him, reaching for his magic, thirsting for it like a dying man in the desert. Dammit! To Liam Nash, life is merely a joke, something to laugh at and enjoy. An endless stream of amusements made even more amusing by the water magic he uses to manipulate the world around him. Liam never thought he'd actually have a soulbonded. He was content to be unattached, a flirt, a perpetual bachelor ... but that was before he met Gabby. Now, he was certain she was his soulbonded, as sure as the sun would rise tomorrow. Unfortunately, the sun's rising is no

longer a sure thing. With half of the royal elementalists imprisoned in the underworld, the earth's climate has been thrown into chaos. Temperatures are steadily dropping, volcanoes are spontaneously erupting, and earthquakes are becoming commonplace. If the light elementalists have any hope of rescuing the planet from the dark forces seeking to destroy it, the elemental academies will have to work together. That means an overeager water elemental and a reluctant fire-wielder are about to be thrown together and asked to save the world. Could the bond between Liam and Gabby be the very thing needed to rally the forces of light to victory?

Wolves of Wrath Quinn Loftis 2017-09-27 Long ago, during the Great Purge, the witches that

had grown too many in number and too powerful, were destroyed. The high fae council saw that the balance of good and evil had been tipped too far in one direction and it had to be rectified. So they killed all of the witches, and their creator...or so they thought. But they were wrong. Volcan, the high fae, who had once been a member of their council, until he decided he wanted to be all powerful and created the witches, had bided his time, hiding in the Dark Forest. Now he's back and hell bent on rebuilding his army of witches. Only this time he's set his eyes on the gypsy healers to be the tool from which he creates them. He already has two of the newly found healers, Jewel and Anna, with his blood running in their veins. And though he thinks he's got it all planned

out, what Volcan hadn't calculated into his formula of healers + his blood = witches, was the healer's mates, Dalton and Gustavo. Both males are more than ready to sink their teeth into the high fae who has taken their females. With the darkness closing in on all four of them, it is a toss up as to who will succumb to it first. Mean while, the healers and wolves Peri had stashed in the pixie realm are sitting ducks with the Veil between them and the human realm locked. The mates of those healers are holding onto their self control by a thread as they try to figure out a way to get them out of the pixie realm. Perizada is once again fighting for those who are under her protection, while at the same time trying not to kill them herself. Considering the healers

tend to do stupid heroic stuff and the wolves just do stupid stuff period, it's not certain who will destroy who. The only thing that was certain; none of them was willing to surrender. Throw in a powerful, eccentric Djinn who has suddenly gotten bored and things are guaranteed to get messy. This is the continuation of the story of the five gypsy healers, the fae who protects them and the wolves whose wrath will consume any who come between them.

Cast of Characters: Lost and Found

Max Lucado
2012-03-12 Common people. Maybe you heard their names in a childhood Sunday school class. They're not often the champions or the go-to sermon illustrations. They probably didn't stand at the foot of the cross or even hang next to Jesus on one of their

own. But they pepper the pages of the Bible, reminding us that we're not alone. Just like you and me, these ordinary people stumbled and struggled. They faced their own sin and came face to face with a God who not only wipes it away, but also makes the common extraordinary. They discovered that an encounter with the living God changes everything. Dive into the lives of more than twenty of the Bible's most compelling characters through inspirational selections from the writings of bestselling author Max Lucado. An ideal companion volume to *Cast of Characters*, this book features a whole new cast and the encouragement from their stories.

Just One Drop Quinn

Loftis 2012-08-15

Jennifer Adams, best friend to Jacque Pierce

and Sally Morgan, spicy, out spoken, a little crazy and human...or so she thought. Jen has just found out that human DNA is not the only thing that resides in her veins, she happens to share that little pesky werewolf gene, although it isn't more than just a drop. Now that she and her friends are living in Romania with Fane's pack, she is also oh so conveniently stuck with the object of her affection, the fur ball Decebel. Drawn to each other by something they don't understand Jen finds herself frustrated by the lack of mating signs between her and said fur ball. Not only is she dealing with that not so un-frustrating problem, she now has been informed that because of that little drop of werewolf blood in her she is now required to attend a

multi-pack gathering for un-mated wolves. This type of gathering hasn't taken place in over a century but with a shortage of females among the werewolf population the males are getting worried they won't ever find their true mates. Meanwhile, Decebel struggles with the emotions he is feeling towards Jen. He tries to keep his distance but there is just something about the mouthy blonde that keeps him coming back for more of her verbal abuse that he just can't seem to get enough of...go figure.

Supernatural war is on the horizon, and no one will escape unscathed. Enemy after enemy, foe after foe, has fallen before the combined might of the Romanian

grey wolves and their allies among the supernatural races. But now the alliance doesn't fight a single supernatural threat. It's no longer a single coven of vampires, a lone deranged warlock, or a rogue pack that threatens their safety. Now, the wolves face a unified force of evil-- the Order of the Burning Claw. The Order needs a representative from every supernatural race to unleash a spell that will enslave humanity forever, and they've just recruited one of their most powerful members. The Order will stop at nothing to gain power, including kidnapping the pack's children and its beleaguered healer. The Romanian pack would love nothing more than to bring the wrath of the Great Luna down upon their foes. But how can they do that when their

"We hope that the lives of all children will be filled with possibility, with open horizons and rainbows into the future. Children with serious illnesses, their families, and those who care for them, confront the realization that "not everything is possible," that despite dramatic scientific and medical advances, the lifespan of some children will be shortened. This threat of premature loss heightens the sense of time for children and families alike, and challenges clinicians to create new pathways of hope for them"--

The Vagabonds Jeff Guinn

"fascinating slice of rarely considered American history"
(Booklist)—the story of Henry Ford and Thomas Edison—whose annual summer sojourns introduced the road trip to our culture and made the automobile an essential part of modern life. In 1914 Henry Ford and naturalist John Burroughs visited Thomas Edison in Florida and toured the Everglades. The following year Ford, Edison, and tire maker Harvey Firestone joined together on a summer camping trip and decided to call themselves the Vagabonds. They would continue their summer road trips until 1925, when they announced that their fame made it too difficult for them to carry on. Although the Vagabonds traveled with an entourage of chefs, butlers, and others,

this elite fraternity also had a serious purpose: to examine the conditions of America's roadways and improve the practicality of automobile travel. Cars were unreliable and the roads were even worse. But newspaper coverage of these trips was extensive, and as cars and roads improved, the summer trip by automobile soon became a desired element of American life. The Vagabonds is "a portrait of America's burgeoning love affair with the automobile" (NPR) but it also sheds light on the important relationship between the older Edison and the younger Ford, who once worked for the famous inventor. The road trips made the automobile ubiquitous and magnified Ford's reputation, even as Edison's diminished. The automobile would transform the American

landscape, the American economy, and the American way of life and Guinn brings this seminal moment in history to vivid life.

Beyond the Veil Quinn Loftis 2012-12-05 Though the Serbian pack has been brought to heel thanks to the downfall of their Alpha, the war is far from over. Desdemona, a witch of unfathomable power, has escaped the wolves' wrath, but she will not go quietly into the night. She takes refuge in a place where even the smallest sliver of light does not dare to enter. Though she had to flee, she has not given up on the treasure she wishes to acquire. Her depravity knows no bounds; she's even willing to search for the one who can assist her in opening a Veil that has not been opened in millennia – with good reason: the danger is

incalculable. Meanwhile, there are major changes rippling through the Romanian Grey wolves. Decebel has become Alpha to the Serbian pack in an effort to begin to unite the Canis lupis species. Their numbers are dwindling in the wake of the shortage of true mates and lack of offspring. The wolves are beginning to lose faith and darkness seems to be crashing in on them from all sides. But the winds of change are blowing, changes that will alter the future of not only the Canis lupis, but of another ancient race as well. Amidst all of this, Sally is continuing to come to terms with her relationship with the playful, charming, flirty, unbelievably handsome bartender – who happens to be a member of the Romanian pack. If all that weren't enough, the Fates have decided

to pay a little visit to Jen. It's time to collect. She cheated the Fates of a life, her life. Now they want what they are due. The problem? It's more than Jen is willing to pay. Yes, the war is indeed far from over. Bargains will be struck, declarations will be made, sacrifices will be given, love will be tested, and trust will be questioned as evil makes its stand against them all.

anything... When Ari's boyfriend Win dies, she gets a spell to erase all memory of him. But spells come at a cost, and this one sets off a chain of events that reveal the hidden—and sometimes dangerous—connections between Ari, her friends, and the boyfriend she can no longer remember. Told from four different points of view, this original and affecting novel weaves past and present in a suspenseful narrative that unveils the truth behind a terrible tragedy.

Blood Rites Quinn Loftis
2011-11-18 With the challenge complete and the corrupt Alpha of Coldspring defeated Fane is now free to complete the mate bond with Jacque and perform the Blood Rites. Although the challenge is done, the effects are far-reaching. Once it is

known that Vasile one of the strongest Alphas in the world is in America, specifically Coldspring, TX, there is one Alpha who cannot overlook the significance of this. An Alpha who happens to share Jacque's DNA, but is this the one she needs to fear? With her mom driving and her two best friends, Jen and Sally in tow, Jacque set off for her happily ever after. She will soon realize a plan has been put in motion that will change her course and possibly tear her from Fane's grasp forever. It will take a wolf pack, her mother's love, her two best friend's unrelenting determination, her own will to survive and the undying love of her mate to bring her home. The question remains, if she fights, if she endures, who will she be, what will be left once she is back in her mate's arms?

Disavow Jamie Magee
2015-10-23 Rivulet is a spinoff series from the wildly popular Insight Series. Mason Wade had fought death, and to some degree he had won. The fire of a phoenix coursing through his veins made him feel like hell. Each of his new senses forced him to reach into a past he knew was better left alone, yet he was grounded in the primal desire to protect Indie, to be a lethal supernatural guardian. The discovery of a secret library within the Falcon Manor landed River Sabine, the very girl who first stole his heart and left him in his darkest hour, front and center in his life. Mason and the others discovering how closely

his past is connected to the paranormal war at hand have only scratched the surface of how deeply entwined those who lurk at the Falcon Manor are; a painful lesson Indie is forced to learn as she fights to rise to her role as the Queen of the Veil and protect the hearts of her own. An impossible decision must be made; no matter the choice lovers will divide. The only real question is whose sacrifice will be for the greater good. Special note to the reader: The RIVULET series is part of the "Web of Hearts and Souls Universe," where several series combine into one large story. All series can be read independently or as one.
