It is your certainly own epoch to play a role reviewing habit. accompanied by guides you could enjoy now is **Eleanor Roosevelt Papers** below.

**The Papers of Eleanor Roosevelt, 1945-1952** Eleanor Roosevelt  
2003-01-01

**The Eleanor Roosevelt Papers** Eleanor Roosevelt 2010

*A Guide to the Papers of Eleanor Roosevelt, 1933-1945* 1986

**Tomorrow Is Now** Eleanor Roosevelt 2012-10-30 Available again in time for election season, Eleanor Roosevelt's most important book—a battle cry for civil rights As relevant and influential now as it was when first published in 1963, *Tomorrow Is Now* is Eleanor Roosevelt's manifesto and her final effort to move America toward the community she hoped it would become. In bold, blunt prose, one of the greatest First Ladies of American history traces her country's struggle to embrace democracy and presents her declaration against fear, timidity, complacency, and national arrogance. An open, unrestrained look into her mind and heart as well as a clarion call to action, *Tomorrow Is Now* is the work Eleanor Roosevelt willed herself to stay alive to finish writing. For this edition, former U.S. President Bill Clinton contributes a new foreword and Roosevelt historian Allida Black provides an authoritative introduction focusing on Eleanor Roosevelt's diplomatic career. For more than sixty-five years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,500 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

*My Day* Eleanor Roosevelt 2009-04-15 "I think Eleanor Roosevelt has so gripped the imagination of this moment because we need her and her vision so completely. . . . She's perfect for us as we enter the twenty-first century. Eleanor Roosevelt is a loud and profound voice for people who want to change the world." -- Blanche Wiesen Cook Named "Woman of the Century" in a survey conducted by the National Women's Hall of Fame, Eleanor Roosevelt wrote her hugely popular syndicated column "My Day" for over a quarter of that century, from 1936 to 1962. This collection brings together for the first time in a single volume the most memorable of those columns, written with singular wit, elegance, compassion, and insight -- everything from her personal perspectives on the New Deal and World War II to the painstaking diplomacy required of her as chair of the United Nations Committee on Human Rights after the war to the joys of gardening at her beloved Hyde Park home. To quote Arthur Schlesinger, Jr., "What a remarkable woman she was! These sprightly and touching selections from Eleanor Roosevelt's famous column evoke an extraordinary personality." "My Day reminds us how great a woman she was." --Atlanta Journal-Constitution

*Empty Without You* Roger Streitmatter 1999-08-19 The relationship between Eleanor Roosevelt and Associated Press reporter Lorena Hickok has sparked vociferous debate ever since 1978, when archivists at the Franklin D. Roosevelt Library discovered eighteen boxes filled with letters the two women exchanged during their thirty-year friendship. But until now we have been offered only the odd quotation or excerpt from their voluminous correspondence. In *Empty Without You*, journalist and historian Rodger Streitmatter has transcribed and annotated 300 letters that shed new light on the legendary, passionate, and intense bond between these extraordinary women. Written with the candor and introspection of a private diary, the letters expose the most private thoughts, feelings, and motivations of their authors and allow us to assess the full dimensions of a remarkable friendship. From the day Eleanor moved into the White House and installed Lorena in a bedroom just a few feet from her own, each woman virtually lived for the other. When Lorena was away, Eleanor kissed her picture of "dearest Hick" every night before going to bed, while Lorena marked the days off her calendar in anticipation of their next meeting. In the summer of 1933, Eleanor and Lorena took a three-week road trip together, often traveling

incognito. The friends even discussed a future in which they would share a home and blend their separate lives into one. Perhaps as valuable as these intimations of a love affair are the glimpses this collection offers of an Eleanor Roosevelt strikingly different from the icon she has become. Although the figure who emerges in these pages is as determined and politically adept as the woman we know, she is also surprisingly sarcastic and funny, tender and vulnerable, and even judgmental and petty -- all less public but no less important attributes of our most beloved first lady. *Eleanor Roosevelt in Her Own Words* John M. Shea 2015-12-15 Eleanor Roosevelt wasn't content to be a seldom-seen, never-heard First Lady. Instead, she worked tirelessly for the many causes dear to her heart, including the rights of African Americans, women, and the poor. After Franklin D. Roosevelt's death, she traveled the world promoting peace in the aftermath of World War II. Roosevelt was so beloved she became known as the "First Lady of the World." This extraordinary woman's life and work is presented in this charming biography that utilizes her own words from her prolific writings. Roosevelt's wit, charm, and intelligence shine in each passage, while carefully chosen photographs reflect important moments in her life.

*Eleanor and Franklin* Joseph P. Lash 2014-09-08 Presents the trials and triumphs of First Lady Eleanor Roosevelt in her life as the wife of Franklin D. Roosevelt, in a marriage that lasted forty years.

*The Quotable Eleanor Roosevelt* Michele Wehrwein Albion 2022-04-15 "Clearly the definitive book of Eleanor Roosevelt quotes. Albion does excellent work weeding out all the apocryphal quotes so often attributed to Eleanor Roosevelt, giving us only the real thing."--Christy Regenhardt, associate editor of *The Eleanor Roosevelt Papers, Volume 2* "Eleanor Roosevelt remains a compelling and interesting person, and these quotes give her greater voice."--Kenneth Bindas, author of *Remembering the Great Depression in the Rural South* Born in the late 1800s to one of the wealthiest families in New York City, Eleanor Roosevelt seemed destined for a traditional woman's role within a sedate Victorian life. Instead, she married her fifth cousin and was flung into the highest levels of American politics, culminating in Franklin's unprecedented four-term presidency. While previous first ladies refrained from public discussion of their personal views, Eleanor's bold opinions on political, social, and racial issues took many by surprise. She held press conferences and wrote a syndicated column. She spoke at national conventions, granted interviews, and often made appearances on her husband's behalf. Her own influence lasted years beyond his death. She advocated for human rights, worked with the United Nations, and supported what later became the civil rights movement. The fascinating quotes in this collection are the words of an articulate, honest, and thoughtful woman. Of war, she said, "I hope the day will come when all that inventing and mechanical genius will be used for other purposes." At a time when racism prevailed, Eleanor said, "We must be proud of every one of our citizens, for regardless of nationality, or race, every one contributes to the welfare and culture of the nation." Organized by topic--government, money, art, education, class, relationships, emotions--these quotations reveal the personal thoughts Roosevelt shared in letters and conversations alongside the strong opinions she expressed in speeches and interviews, giving evidence to her character and her beliefs. Her words continue to resonate today.

**Eleanor Roosevelt's Book of Common Sense Etiquette** Eleanor Roosevelt 2016-12-13 In an era of incivility, discover a timeless guide to good manners from First Lady Eleanor Roosevelt. "The basis of all good human behavior is kindness," says Eleanor Roosevelt in this classic handbook, first published in 1962 as a "modern book of etiquette for modern Americans." As a politician, diplomat, and activist, as well as the longest-serving First Lady of the United States, Mrs. Roosevelt knew that thoughtful, civil behavior was essential to peaceful, productive relationships. In this etiquette guide, she teaches that decorum is not about strict adherence to formal rules; it is about approaching all social

situations with consideration for others. She advises, "If ever you find yourself in a situation in which following a formal rule would be manifestly unkind, forget it, and be kind instead." Drawing from her personal and professional experiences, Roosevelt covers a broad range of topics, including business dealings and family affairs, writing letters and receiving guests, and entertaining at home and traveling abroad. Beginning with the necessity of good manners between husband and wife, she considers the importance of courtesy in society at large and the role all Americans play as ambassadors of democracy while visiting foreign countries. In an era of incivility, Eleanor Roosevelt's *Book of Common Sense Etiquette* is more relevant than ever. This ebook has been professionally proofread to ensure accuracy and readability on all devices.

[My Faraway One](#) Sarah Greenough 2011-06-21 Collects the private correspondence between Georgia O'Keeffe and Alfred Stieglitz, revealing the ups and downs of their marriage, their thoughts on their work, and their friendships with other artists.

[The Eleanor Roosevelt Papers](#) ANONIMO 2009-10-01

**The Eleanor Roosevelt Papers** Eleanor Roosevelt 2010

[The Eleanor Roosevelt Papers Project](#) Eleanor Roosevelt 2007

Chronicling Eleanor Roosevelt's development as diplomat, journalist, and political strategist in the years 1945 to 1948, this publication is filled with original writings and speeches.

[The Eleanor Roosevelt Papers: The human rights years, 1945-1948](#)

Eleanor Roosevelt 2006 "The 410 documents in *The Eleanor Roosevelt Papers, Vol. I: The Human Rights Years, 1945-1948* not only tell the tale of ER's development as a political force in her own right and the impact she had on American politics and the United Nations, but also the serious treatment she received from those in power. They disclose the inner workings of Truman's first administration, the United Nations, and the major social and political movements of the postwar world. They trace ER's efforts to defend the New Deal, strengthen the United Nations, confront the refugee crisis, advise Truman and party leaders, confront cold war polemics, defend civil rights and civil liberties, recognize Israel, and build popular support for human rights at home and abroad. In the process, they reveal the intense struggles ER's correspondents and advisors had confronting a war-scarred world, the conflicting advice they gave her, and the material ER reviewed and the people she consulted while determining her own course of action." "Using a wide variety of material - letters, speeches, columns, debates, committee transcripts, telegrams, and diary entries - this first of five volumes presents a representative selection of the actions ER took to define, implement, and promote human rights and the impact her work had at home and abroad. Readers may disagree over various decisions she made, language that she used, or the priorities she established. Yet her impact is unquestioned."--BOOK JACKET.

**If You Ask Me** Eleanor Roosevelt 2018-10-09 Experience the timeless wit and wisdom of Eleanor Roosevelt in this annotated collection of candid advice columns that she wrote for more than twenty years. In 1941, Eleanor Roosevelt embarked on a new career as an advice columnist. She had already transformed the role of first lady with her regular press conferences, her activism on behalf of women, minorities, and youth, her lecture tours, and her syndicated newspaper column. When *Ladies Home Journal* offered her an advice column, she embraced it as yet another way for her to connect with the public. "If You Ask Me" quickly became a lifeline for Americans of all ages. Over the twenty years that Eleanor wrote her advice column, no question was too trivial and no topic was out of bounds. Practical, warm-hearted, and often witty, Eleanor's answers were so forthright her editors included a disclaimer that her views were not necessarily those of the magazines or the Roosevelt administration. Asked, for example, if she had any Republican friends, she replied, "I hope so." Queried about whether or when she would retire, she said, "I never plan ahead." As for the suggestion that federal or state governments build public bomb shelters, she considered the idea "nonsense." Covering a wide variety of topics—everything from war, peace, and politics to love, marriage, religion, and popular culture—these columns reveal Eleanor Roosevelt's warmth, humanity, and timeless relevance.

[Eleanor and Hick](#) Susan Quinn 2016-09-27 A warm, intimate account of the love between Eleanor Roosevelt and reporter Lorena Hickok—a relationship that, over more than three decades, transformed both women's lives and empowered them to play significant roles in one of the most tumultuous periods in American history. In 1932, as her husband assumed the presidency, Eleanor Roosevelt entered the claustrophobic, duty-bound existence of the First Lady with dread. By that time, she had

put her deep disappointment in her marriage behind her and developed an independent life—now threatened by the public role she would be forced to play. A lifeline came to her in the form of a feisty campaign reporter for the Associated Press: Lorena Hickok. Over the next thirty years, until Eleanor's death, the two women carried on an extraordinary relationship: They were, at different points, lovers, confidantes, professional advisors, and caring friends. They couldn't have been more different. Eleanor had been raised in one of the nation's most powerful political families and was introduced to society as a debutante before marrying her distant cousin, Franklin. Hick, as she was known, had grown up poor in rural South Dakota and worked as a servant girl after she escaped an abusive home, eventually becoming one of the most respected reporters at the AP. Her admiration drew the buttoned-up Eleanor out of her shell, and the two quickly fell in love. For the next thirteen years, Hick had her own room at the White House, next door to the First Lady. These fiercely compassionate women inspired each other to right the wrongs of the turbulent era in which they lived. During the Depression, Hick reported from the nation's poorest areas for the WPA, and Eleanor used these reports to lobby her husband for New Deal programs. Hick encouraged Eleanor to turn their frequent letters into her popular and long-lasting syndicated column "My Day," and to befriend the female journalists who became her champions. When Eleanor's tenure as First Lady ended with FDR's death, Hick pushed her to continue to use her popularity for good—advice Eleanor took by leading the UN's postwar Human Rights Commission. At every turn, the bond these women shared was grounded in their determination to better their troubled world. Deeply researched and told with great warmth, Eleanor and Hick is a vivid portrait of love and a revealing look at how an unlikely romance influenced some of the most consequential years in American history.

[Fundamental Freedoms](#) History An Facing History and Ourselves 2010-04-30 Eleanor Roosevelt played a pivotal role in creating the Universal Declaration of Human Rights (UDHR) in the aftermath of World War II and the Holocaust. Following the death of her husband, President Franklin D. Roosevelt, she participated in the birth of the United Nations and embraced a new role, advocating across the globe for human rights. Using original sources, this resource documents Eleanor's development into a diplomat and renowned human rights leader of the twentieth century, and shows the challenges and determination required to realize the UDHR.

[The Papers of Eleanor Roosevelt, 1945-1962](#) Franklin D. Roosevelt Library 2003 Presents documents related to the work of Eleanor Roosevelt as a U.S. delegate to the United Nations from 1945 to 1952. Reproduces correspondence; publications and documents from U.S. diplomats and UN delegates; special reports on political, socioeconomic, and military affairs; statistical studies; interviews and minutes of meetings with foreign officials; full text of important U.S. delegation correspondence; voluminous reports; and translations of high-level foreign government documents.

[What She Ate: Six Remarkable Women and the Food That Tells Their Stories](#) Laura Shapiro 2018-01-25 'If you find the subject of food to be both vexing and transfixing, you'll love *What She Ate*' Elle

[The Papers of Eleanor Roosevelt, 1945-1952](#) Robert Lester 2004-03-01 **Eleanor Roosevelt's Views on Diplomacy and Democracy** Dario Fazzi 2020-06-29 "This volume fills a void in current studies of Eleanor Roosevelt. Offering a comprehensive analysis of Roosevelt as a diplomat during the Cold War era, it is particularly insightful in analyzing her position on United States race relations while at the United Nations. It provides a new look at Roosevelt's leadership from an American perspective played out on a global stage."- Maurine H. Beasley, Professor Emerita, University of Maryland College Park, USA "My grandmother was an ardent "small-d" democrat, as well as a Democrat - but she didn't think we were very mature in our living of it! This well-written and illuminating collection of essays, focused on what ER thought it meant to be a global citizen, offers a unique perspective of her views on a host of issues. Let us hope these fresh insights can inspire young people today to construct that better world to which she dedicated much of her life." - Anna Eleanor Roosevelt This book focuses on Eleanor Roosevelt's multifaceted agenda for the world. It highlights her advocacy of human rights, multilateral diplomacy, and transnationalism, and it emphasizes her challenge to gendered norms and racial relations. The essays of this collection describe Eleanor Roosevelt as a public intellectual, a politician, a public diplomat, and an activist. She was, undeniably, one of the protagonists of the twentieth century and a proactive interpreter of the many changes it brought about. She went through two world wars, the

harshness of the Great Depression, and the emergence of nuclear confrontation, and she deciphered such crises as the product of misleading nationalism and egoism. Against them, she offered her commitment to people's education as an example of civic engagement, which she considered necessary for the functioning of any democratic order. Such was the world Eleanor Roosevelt envisioned and tried to build - symbolically and practically - one where people, the citizens of the world, may really be at the center of international affairs.

#### **The Eleanor Roosevelt Papers: The human rights years, 1949-1952**

Eleanor Roosevelt 2007 Volume 1 chronicles Eleanor Roosevelt's development as diplomat, politician, and journalist in the years 1945-1948. It is filled with original writings and speeches that have been annotated and made easily accessible through a comprehensive index. This is part of the Eleanor Roosevelt Papers Project as the first of a five-volume set covering the years 1945-1962.

**Doris Fleeson** Carolyn Saylor 2011-11-01 "She was my idol," said columnist Mary McGrory. McGrory, in writing of women, referred to Doris Fleeson as "incomparably the first political journalist of her time." Fleeson was, in fact, the first woman in the United States to become a nationally syndicated political columnist. In 1945, with the encouragement of Henry Mencken, she launched her column. In her career she would write some 5,500 columns during the next twenty-two years. Fleeson's appearance could be disarming. Once at a party Lady Bird Johnson exclaimed, "What a gorgeous dress, Doris. It makes you look just like a sweet, old-fashioned girl." The wife of Senator Stuart Symington interjected, "Yes, just a sweet old-fashioned girl with a shiv in her hand." CAROLYN SAYLER lives in Lyons, Kansas, ten miles from the town of Sterling where Doris Fleeson was born in 1901. Knowing members of the Fleeson family, she began researching the life of the columnist whose straightforward take on Washington became a daily fix for newspaper readers across the nation. Saylor has a background in journalism as a member of a Kansas newspaper family. She is the author of a history of Manhattan, Kansas, which tells of the town's founding during the Free State struggle, its strong connections with New England, and its abolitionist college, now Kansas State University.

[A Guide to the Papers of Eleanor Roosevelt, 1933-1945](#) Eleanor Roosevelt 1986

[Eleanor Roosevelt and the Anti-Nuclear Movement](#) Dario Fazzi 2016-12-19 This book explores Eleanor Roosevelt's involvement in the global campaign for nuclear disarmament. Based on an extensive multi-archival research, it assesses her overall contribution to the global anti-nuclear campaign of the early cold war and shows how she constantly tried to raise awareness of the real hazards of nuclear testing. She strove to educate the general public about the implications of the nuclear arms race and, in doing so, she became for many a trustworthy anti-nuclear leader and a reliable voice of conscience.

**Eleanor Roosevelt** Franklin D. Roosevelt Library 1971

*Eleanor Roosevelt: In Her Words* Nancy Woloch 2017-09-05 This illustrated, first of its kind collection of excerpts from Eleanor Roosevelt's newspaper columns, radio talks, speeches, and correspondence speaks directly to the challenges we face today. Acclaimed for her roles in politics and diplomacy, first lady Eleanor Roosevelt was also a prolific author, journalist, lecturer, broadcaster, educator, and public personality. Using excerpts from her books, columns, articles, press conferences, speeches, radio talks, and correspondence, *Eleanor Roosevelt: In Her Words* tracks her contributions from the 1920s, when she entered journalism and public life; through the White House years, when she campaigned for racial justice, the labor movement, and "the forgotten woman;" to the postwar era, when she served at the United Nations and shaped the Universal Declaration of Human Rights. Selections touch on Roosevelt's early entries in women's magazines ("Ten Rules for Success in Marriage"), her insights on women in politics ("Women Must Learn to Play the Game As Men Do"), her commentary on World War II ("What We Are Fighting For"), her work for civil rights ("The Four Equalities"), her clash with Soviet delegates at the UN ("These Same Old Stale Charges"), and her advice literature ("If You Ask Me"). Surprises include her unique preparation for leadership, the skill with which she defied critics and grasped authority, her competitive stance as a professional, and the force of her political messages to modern readers. Scorning the "America First" mindset, Eleanor Roosevelt underlined the interdependence of people and of nations. *Eleanor Roosevelt: In Her Words* illuminates her achievement as a champion of civil rights, human rights, and democratic ideals.

*Roosevelt and Churchill, 1939-1941: The Partnership That Saved the*

*West* Joseph P. Lash 2021-12-06 Using the Roosevelt-Churchill correspondence, British War Cabinet and Foreign Office files and Roosevelt Map Room papers, Joseph P. Lash takes a fresh look at men and events in the critical months between the outbreak of World War II in September 1939 and Pearl Harbor. He brings out the similarities and contrasts between Roosevelt and Churchill, where they were great or flawed, how each sought to manipulate the other but always in the framework of common purposes, most importantly their understanding of the importance of sea power and of the necessity of Anglo-American naval supremacy. "[Joseph Lash] has written an excellent account, full of shrewd personal and political insights and based on a real command of the sources and an ability to organize his material into a continuously interesting narrative. Much of the story is familiar, but Mr. Lash has added some telling new details from the archives at Hyde Park and in the British Public Record Office..." — The New York Times "[A] rich account of a remarkable collaboration during the pre-Pearl Harbor years of WW II... Throughout Lash examines with candor and admiration how FDR manipulated Congress, the bureaucracy, and public opinion, working with Churchill on the phrasing and timing of steps toward American entry into the war." — Kirkus "Joseph Lash has once again demonstrated his gift for blending diligent historical research with the human drama of an extraordinary relationship. His chronicle of Roosevelt and Churchill is absorbing and exciting; it will also be an invaluable document for any future exploration of the struggle for democratic survival in this century." — James A. Wechsler, Editorial Page Editor, New York Post "A splendid work — incisive in its analysis, compelling in its narrative, sensitive in its judgments. It is quite worthy of its protagonists — and what more can one possibly say?" — Arthur Schlesinger, Jr. "[A] perceptive, well organized and well-written exploration both of his two main characters and of a large supporting cast... The book is... a pleasure [...] to read." — History "The publication of Lash's book is an important event in the historiography of World War II... Lash has accomplished an impressive historical synthesis." — Reviews in American History "There is much to praise in this volume, a book which undoubtedly will be widely read... Lash is a first-rate writer and researcher." — Political Science Quarterly "[A] fascinating book." — The Virginia Quarterly Review "The major strands of this story have long been familiar, but the author adds many revealing and colorful details... he writes superbly." — Foreign Affairs "This is a beautifully written book which captures the spirit of the two leaders and is well worth the time spent reading it. Lash offers some thoughtful insights into the personalities of both Churchill and Roosevelt as well as some perceptive comments on their relationship. His picture is clear; Roosevelt and Churchill, for all of their faults, were the great men which the times demanded." — The American Historical Review

**Eleanor and Franklin** Joseph P. Lash 2014-09-08 The #1 New York Times Bestseller—Winner of the Pulitzer Prize and National Book Award In his extraordinary biography of the major political couple of the twentieth century, Joseph P. Lash reconstructs from Eleanor Roosevelt's personal papers her early life and four-decade marriage to the four-time president who brought America back from the Great Depression and helped to win World War II. The result is an intimate look at the vibrant private and public worlds of two incomparable people.

[Eleanor and Franklin](#) Joseph P. Lash 2004

**Refuge Must Be Given** John F. Sears 2021-05-15 *Refuge Must Be Given* details the evolution of Eleanor Roosevelt from someone who harbored negative impressions of Jews to become a leading Gentile champion of Israel in the United States. The book explores, for the first time, Roosevelt's partnership with the Quaker leader Clarence Pickett in seeking to admit more refugees into the United States, and her relationship with Undersecretary of State Sumner Welles, who was sympathetic to the victims of Nazi persecution yet defended a visa process that failed both Jewish and non-Jewish refugees. After the war, as a member of the American delegation to the United Nations, Eleanor Roosevelt slowly came to the conclusion that the partition of Palestine was the only solution both for the Jews in the displaced persons camps in Europe, and for the conflict between the Arabs and the Jews. When Israel became a state, she became deeply involved in supporting the work of Youth Aliyah and Hadassah, its American sponsor, in bringing Jewish refugee children to Israel and training them to become productive citizens. Her devotion to Israel reflected some of her deepest beliefs about education, citizenship, and community building. Her excitement about Israel's accomplishments and her cultural biases, however, blinded her to the impact of Israel's founding on the Arabs. Visiting the new nation four times and advocating on Israel's behalf created a warm bond not only between her and the people of Israel, but between her and the

American Jewish community.

[The Papers of Eleanor Roosevelt, 1933-1945](#) Boehm, Randolph 1986

*The Eleanor Roosevelt Papers* ANONIMO 2006-10-01 Human rights. Global relations. The role of women. U.S. politics. Eleanor Roosevelt was a trailblazer in many arenas. Her writings are essential tools to better understand American politics, diplomacy and policy, and the struggle to implement democracy domestically and internationally in the first two-thirds of the 20th century.

[Eleanor Roosevelt](#) Geraldine Kidd 2017-11-20 Memorialised as a US heroine and an iconoclastic humanitarian who sought to protect society's marginalised, Eleanor Roosevelt also, at times, disappointed contemporaries and biographers with some of her stances. Examining a period of her life that has not been extensively explored, this book challenges the previously held universality of Eleanor Roosevelt's humanitarianism. The Palestinian question is used as a case study to explore the practical application of her commitment to social justice, and the author argues that, at times, Roosevelt's humanitarianism was illogical, limited and flawed by pragmatism. New insights are provided into Eleanor Roosevelt's human rights activism - its dichotomies, its inspiration, and the effect it had on US relations with the Middle East. This book will appeal to academics working across a range of disciplines including history, diplomatic history, American studies, Middle Eastern studies, US foreign policy, human rights and women's studies.
