Broken Visions Jessica Sorensen Gemma thought Alex was dead, that she'd made an irreversible mistake and would never see him again. But then her father resets time and she's given another chance to be with Alex, if she can save the world and get rid of the star. Gemma decides to follow in her father's footsteps and attempt to change the vision of the end of the world. If she can pull it off, then maybe she can have the normal life she's always wanted and Alex and her can have a chance for a real future. But changing visions is dangerous, and sometimes one small mistake can lead to disastrous results. This is a re-imagining of my Young Adult Paranormal book, The Vision (Book 3 in the Fallen Star Series) told as a New Adult Paranormal.

Ruin Me Jessica Sorensen A part time student, CNA, and caretaker for her slightly deranged mother, Clara McKiney doesn't have time for a relationship. That's why her friends with benefits arrangement with sexy and ridiculously charming Jax Hensley

works perfectly. But Jax has other ideas. The moment Jax met Clara he was instantly drawn to her wittiness, confidence, and gorgeous smile. Even though he agreed to the friends with benefits arrangement, he secretly hopes for more than their weekend hook ups. When Jax's estranged mother mysteriously disappears, he sees an opportunity to spend more time with Clara. After convincing her to return home with him, a new agreement is made. One road trip and week together to find out why his mom vanished into thin air. Things are about to get complicated.

The Vision Jessica Sorensen 2015-09-15 Gemma thought she was trapped--that Stephan had finally won. But then time resets and she's given another chance. The clock is ticking as Gemma tries to figure out how to change the vision that ends the world in ice. If she can, then maybe she can save the world from Stephan and give her and Alex a chance at a real future. But changing visions can be dangerous, and sometimes one small mistake can lead to disastrous results.

Breathing Lies Jessica Sorensen 2018-08-17 The Avertonson brothers and I have been friends for as long as I can remember. They're also twins, but where Foster is all light, Kingsley is darkness and danger. I've been in love with Foster for a while, but the night I finally get the courage to tell him how I feel is the same night I nearly drown. I can't remember much about what happened, but I know I'm no longer the same girl as I was before. I tasted death that night and it left me feeling dead inside, hollow. And every time I look at someone, I can tell when they're lying. Almost everyone is a liar. That's what I'm realizing. Even Foster, who insists he's the one who swam into the water to save me. But he didn't. I need to find out what happened to me that night. But in a town plagued by lies, strange deaths, and mysterious disappearances, knowing the truth can be dangerous.

The Coincidence of Callie & Kayden Jessica Sorensen 2013-03-19 From the bestselling author of *The Secret of Ella and Micha*

comes a mesmerizing novel of fate, friendship, and the healing power of love **THE COINCIDENCE OF CALLIE & KAYDEN** For Kayden, suffering in silence was the only way to survive. If he was lucky, he could keep his head down, do as he was told, and make it through the day. But one night it seemed like his luck-and his life-might finally end . . . until an angel named Callie appeared just in time to rescue him. Callie has never believed in luck. Not since her twelfth birthday when everything was taken from her. After the worst was over, she locked up her feelings and vowed never to tell anyone what happened. Now, six years later, she continues to struggle with the painful secret that threatens to consume her. When fate lands Kayden and Callie at the same college, Kayden is determined to get to know the beautiful girl who changed his destiny. Quiet and reserved, Callie still fears letting anyone else into her world. But Kayden is certain that Callie has come back into his life for a reason. And the more he tries to be a part of her life, the more he realizes that, this time, it's Callie who needs to be saved . . .

Fractured Souls Jessica Sorensen Gemma thought she had said her good-byes and had felt every possible emotion she could before her soul was detached again. Deep down inside, she hoped she'd never wake up from it because, in her eyes, life without emotion and memories isn't worth living. But she does wake up and discovers she can still feel and remember everything she experienced over the last few months. Alex is also telling her that everything's okay, that he didn't betray her, and that what she thought happened really didn't. Gemma isn't sure if she can trust Alex, so she tries to keep her distance from him, even though the electric connection and her desire make it nearly impossible. The only person she can trust is Laylen, but even that becomes complicated when the lines of their friendship begin to blur. While Gemma struggles with her emotions and relationships, she searches for her mother, entering a dangerous world of secrets,

seduction, and evil. The further she digs into her mother's secrets and past, the more she wonders what waits for her at the end of her search and if maybe some things are better left in the dark. This is a re-imagining of my Young Adult Paranormal book, *The Underworld* (Book 2 in the *Fallen Star Series*) told as a New Adult Paranormal.

Darkness Falls Jessica Sorensen When the disease spread through the world, people had no choice but to go into hiding. The Colony is hidden deep underground, far away from the vampires—humans that were transformed by the disease. The vampires are hideous, starving, and they will kill any human they come across. Seventeen-year-old Kayla is a Bellator, a warrior that protects The Colony. In order to survive, there are three rules she must follow: Rule #1—Never go out after dark. Rule #2—Always carry a weapon. Rule #3—No matter what, never EVER get bit. But what happens when the rules Kayla has always lived by can no longer apply? The Highers run The Colony and accept nothing less than perfection. One slip up can mean death. Kayla has always worked hard to follow the rules and strive for perfection. But during a moment of weakness, she lets her imperfections show. Her punishment is worse than death. She is chosen for The Gathering and is thrown out into a world full of starving vampires. No one has ever survived The Gathering, at least that's what Kayla's been told. But when she runs into a group who insist they were once part of The Gathering, Kayla discovers the Highers have been keeping secrets. Secrets that could lead to a cure.

Oblivion Jessica Sorensen In the outside world, every single day that passes, my life becomes more in danger. The only way to survive might be to enter the Oblivion and relive my forgotten memories. But my mind may be even more dangerous than reality.

Tempting Raven Jessica Sorensen I was just an ordinary vampire until Fate chose me as the new vampire queen. And Fate has a twisted sense of humor because it chose Rhyland Midnitegale as the king, who just

happens to be my sworn enemy. To say I'm less than thrilled about ruling with Rhyland is a complete understatement. But if I don't step up to my title, the chaos, rebellions, and murders taking over the vampire world will only continue to get worse. So I accept the position, but I secretly hope that maybe Fate will change its mind. I soon learn, though, that being queen comes with many rules. Rules that bind my heart and soul to Rhyland in ways I never imagined. And if I don't, my life could be in danger, and the entire vampire kingdom could suffer for it. That might not be my only problem, though. Danger is lurking close, and I learn that I may be cursed with more than just the title of the queen.

Nameless Jessica Sorensen I live in a world where freedom doesn't exist, and most people aren't allowed to have names. I had a name once—Allura—but then I was captured by Wardens, creatures that hunt humans, and I became a Nameless. I spent years imprisoned underground beneath the city, dreaming of being outside again until Blaise and his team rescue me. Finally, I'm free again. But the outside world isn't how I remember it. The city has become extremely dangerous. To survive, I'll have to learn how to fight and trust Blaise and his team. But as I discover a new world, I also learn a secret about myself that could put me in grave danger.

The Temptation of Lila and Ethan

Jessica Sorensen 2013-10-22 From the #1 New York Times bestselling author of the Ella and Micha series comes a gripping story of passion, pain, and the courage to love . . . The Temptation of Lila and Ethan On the surface, Lila Summers is flawless: good looks, expensive clothes, and a big, beautiful smile. But a dark past and even darker secrets are threatening to bubble over her perfect facade. She'll do anything to keep the emptiness inside hidden—which leads her into situations that always end badly. Whenever she hits bottom, there's only one person who's there to pull her out: Ethan Gregory. Ethan set the rules a long time ago: he and Lila are

just friends. He doesn't do relationships. Although his tattooed, bad boy exterior is a far cry from Lila's pretty princess image, Ethan can't deny they have a deeper connection than he's used to. If he's not careful, he could be in serious danger of becoming attached—and he's learned the hard way that attachment only leads to heartbreak. When Lila falls farther than she ever has before, can Ethan continue to help as a friend? Or is he also getting close to falling . . . for her?

Emergent Strategy Adrienne Maree Brown 2017-02-14 In the tradition of Octavia Butler, here is radical self-help, society-help, and planet-help to shape the futures we want. Change is constant. The world, our bodies, and our minds are in a constant state of flux. They are a stream of ever-mutating, emergent patterns. Rather than steel ourselves against such change, Emergent Strategy teaches us to map and assess the swirling structures and to read them as they happen, all the better to shape that which ultimately shapes us, personally and politically. A resolutely materialist spirituality based equally on science and science fiction: a wild feminist and afro-futurist ride! adrienne maree brown, co-editor of Octavia's Brood: Science Fiction from Social Justice Movements, is a social justice facilitator, healer, and doula living in Detroit.

The day Ella has waited for is just around the corner. It's the day she'll marry Micha, the love of her life, the light that guided her out of the darkness. It looks like it will be the perfect Christmas, until an unexpected package arrives with a harsh reminder of Ella's past. Suddenly Ella doesn't feel as confident about her future. Can she really have a 'happily-ever-after' if she's never even seen one? Micha will stand by Ella no matter what she's going through, though he worries that she might leave him standing at the altar again. When he's offered a once-in-a-lifetime chance to tour with his favourite bands for three months, Micha knows he can't leave Ella behind. But can he ask her to uproot her life to join him on the road? Now Ella and Micha must find a way to balance their fears, their dreams, and their love . . . if they ever want to hear wedding bells.

Unbroken Jessica Sorensen Alex thought things were already complicated, but then Gemma shows up possessed by Stephan and she wants to kill him. Normally, he would eliminate someone in Gemma's

position to protect himself, but his feelings for Gemma won't allow him to do that. She's too important to him and he knows he has to save her without hurting her. But can he find a way to save her before someone gets hurt?

The Rules of Being Friends Jessica

Sorensen My new life in Honeyton is becoming complicated. It all starts when I hear my uncle talking about some sketchy stuff that may have to do with me. I also think there might be more to Hunter, Jax, and Zay than they're letting on, like maybe we've met before. Not that everything is terrible. Hunter, Jax, and Zay are all nice to me, and they've brought me into their group. For the first time, I think I might finally have some friends. But a lot of mystery still surrounds me. And I'm still being blackmailed by someone.

The Infinitely of Ella & Micha Jessica Sorensen 2021-10-22 My name is Ella Scott and I'm happy. While I wasn't sure I would, I enjoy being on the road with the bands. And I enjoy married life. I really do. For once, everything is going perfectly. That is until a stalker appears out of nowhere and starts making threats to Micha and me. On top of that, my mom has become a suspect again in a reopened cold case, and my dad wants me to return home for a while to help out with that. So much for happiness and road trips... But maybe if I return home, I can finally help clear my mom's name from a mystery that's haunted my family for years.

Shattered Promises Jessica Sorensen For twenty-one year-old Gemma, life has never been normal. She knows nothing about her past and has been haunted by the same monsters in her nightmares for the last few months. Unemotional and numb to life, she feels disconnected from everyone. Until the very first day she cries. After that, nothing in her life is the same. Her emotions slowly surface and she starts experiencing love, happiness, and anger, feelings she never knew existed. But they leave her confused and she doesn't know whether to embrace them or run away from them. Her life only gets more complicated when she meets

Alex. Sexy, arrogant, and secretive, Alex can get under Gemma's skin like no one can. Yet she's drawn to him by an invisible connection she has no control over. She's also seen him before. In her nightmares. Every part of Gemma's mind is screaming at her to stay away from Alex, but every other part of her is begging to get close to him. But the closer she gets, the more she realizes Alex knows more about her than he originally let on. As secrets about her past unravel, Gemma's life becomes threatened. She needs to figure out what's going on, before she winds up dead. But the only person she can turn to for answers is the one person she isn't sure she can trust. A re-imagining of my young adult book, *The Fallen Star*, told as a New Adult Paranormal **Animacies** Mel Y. Chen 2012-07-10 Rethinks the criteria governing agency and receptivity, health and toxicity, productivity and stillness

Forsaken Jessica Sorensen After Blaise and his team rescued me from the channels, I thought my imprisoned fate had changed. But during our journey back to the station, we're captured by the Forsaken. The Forsaken are known for killing their prisoners, but a fate much worse than death is waiting for us at their camp. If we want to survive, we'll have to find a way to escape. But the leader of the Forsaken won't let me out of her sight. She's convinced I'm a hybrid and is determined to prove it by forcing me to take a test. A test I'm not sure I can pass.

Cities Under Siege Stephen Graham 2011-11-01 Cities are the new battleground of our increasingly urban world. From the slums of the global South to the wealthy financial centers of the West, *Cities Under Siege* traces the spread of political violence through the sites, spaces, infrastructure and symbols of the world's rapidly expanding metropolitan areas. Drawing on a wealth of original research, Stephen Graham shows how Western militaries and security forces now perceive all urban terrain as a conflict zone inhabited by lurking shadow enemies. Urban inhabitants have become targets that need to be

continually tracked, scanned and controlled. Graham examines the transformation of Western armies into high-tech urban counter-insurgency forces. He looks at the militarization and surveillance of international borders, the use of 'security' concerns to suppress democratic dissent, and the enacting of legislation to suspend civilian law. In doing so, he reveals how the New Military Urbanism permeates the entire fabric of urban life, from subway and transport networks hardwired with high-tech 'command and control' systems to the insidious militarization of a popular culture corrupted by the all-pervasive discourse of 'terrorism.'

Darkness Fades Jessica Sorensen Kayla knows she has to save the world from the vampire virus, but what she didn't realize was just how complicated it could be. As the secrets to the cure start to unfold, Kayla realizes that not only will her strength be tested, but her willpower as well. Tough choices will have to be made. In the end, she must decide just how much she's willing to sacrifice to get to a cure.

Edhina Ekogidho - Names as Links Minna Saarelma-Maunumaa 2018-03-12 What are the most popular names of the Ambo people in Namibia? Why do so many Ambos have Finnish first names? What do the African names of these people mean? Why is the namesake so important in Ambo culture? How did the nation's long struggle for independence affect personal naming, and what are the latest name-giving trends in Namibia? This study analyses the changes in the personal naming system of the Ambo people in Namibia over the past 120 years, starting with 1883, when the first Ambos received biblical and European names on baptism. The central factors in this process were the German and South African colonisation and European missionary work on the one hand, and the rise of African nationalism on the other. Eventually, this clash between African and European naming practices led to a new, dynamic naming system which includes elements of both African and European origin. "Within the field of onomastics, i.e. the scientific study of names, this study is a remarkable and extremely important one. ... I suspect that it will become a major and standard reference work in the future, not only regarding Ambo anthroponymy, but anthroponymy in general, particularly where cultures interact." Professor S. J. Neethling, University of the Western Cape, South Africa

[Accounting for the Commandments in Medieval Judaism](#) Jeremy P. Brown 2022-01-06 "Accounting for the Commandments in Medieval Judaism explores the discursive formation of the commandments as a generative matrix of Jewish thought and life in the posttalmudic period. Each study sheds light on how medieval Jews crafted the commandments out of theretofore underdetermined material. By systematizing, representing, or interrogating the amorphous category of commandment, medieval Jewish authors

across both the Islamic and Christian spheres of influence sought to explain, justify, and characterize Israel's legal system, divine revelation, the cosmos, and even the divine order. This volume correlates bodies of knowledge-such as jurisprudence, philosophy, ethics, pietism, and kabbalah-that are normally treated in isolation into a single conversation about a shared constitutional concern"--

The Mystery of Hadley Jessica Sorensen

Mine and my sisters' lives will never be the same. That's the thought I have as I wait in the hospital to see if my sister will be okay. That's just one of the many problems I'm facing. I have to play scavenger hunt to track down the bags my father owes a very powerful, and dangerous man. Luckily I have Blaise. He's becoming my rock in all of this. But I may need more than just a rock as my forgotten memories keep resurfacing. I'm beginning to think that the life I thought I lived might not be how I remember it, that something dark and sinister may have happened to me. I also learn a secret about my mother's death. A secret someone will do just about anything to keep buried.
