*Parenting Without Guilt* Charles C. Larson, Ph.d. 2014-04-01 There are times when what a youngster does or says is absolutely baffling to mom or dad. How can 15-year-old Sarah spend hours prepping her hair and not give one second to cleaning her room? Likewise, what's wrong with 10-year-old Mark who knows he shouldn't bully his little brother but does so anyway? Certainly parents want answers, and no one is surprised when a parent falls back on interrogating a child or teen with repeated "Why?" or "What were you thinking?" questions. Unfortunately, searching for the reasons children behave as they do by asking the ubiquitous "Why?" is ultimately unsuccessful and, frankly, irrelevant. "I don't know," "Because," or "I wasn't thinking," is the usual child response, resulting in frustrated parents and youngsters who feel embarrassed, stupid or annoyed. Drs. Charles C. Larson and John B. Dockstader, each with more than thirty years of experience working with parents and youngsters, advise parents to step back from situations such as those described and offer,

instead, techniques for evaluating and solving family problems without needing to know "Why?". The authors counsel parents how to determine if a problem exists, who owns the problem and who is best equipped to solve it. Numerous real-life examples are presented to illustrate the problem-solving process and solutions. In *Parenting Without Guilt*, parents learn not only to solve family problems, but also why the challenges parents and youngsters face today are more demanding than ever before. In addition, parents are guided through each stage of child development, from birth to young adulthood, with attention to typical problems any parent may anticipate. Resources that parents can use to help them resolve family discords are discussed, to include working with educators, clergy, pediatricians, private practitioners and others. With compassion, humor and wisdom gained through practical experience, Drs. Larson and Dockstader offer information and advice that provides any parent with the skills to raise successful children without guilt, anxiety or distress.

**Your Special Gift** Carol McCormick 2012-01-09 Having "the talk" can sometimes be an awkward experience for both parent and child. Even so, I didn't want to wait until my children's hormones kicked in, and I didn't want to be caught off guard when they had questions, but most of all, I didn't want them growing up with misconceptions concerning sex. I wanted my children to be informed about the facts of life, yet without being too sexually explicit in the process, because some of the facts weren't good such as pornography, diseases, and predators, but these subjects needed to be addressed as well. As a result, I told them what I have written in Your Special Gift, by using the analogy of a gift, a lock, and a key to define commonly used sexual terms, and to caution them about possible consequences, and to warn them of potential predators. I also used Scripture as the basis of defining true love. The simplicity of the gift analogy opens the door of communication between parent and child in an effective straightforward, and yet sensitive way, so that any question concerning sex can be answered by using this method. Your Special Gift is well-

suited for children in the 8-to-12 year-old range.

Each passage is also followed by a question to answer or a verse to write out, as well as space to write out a prayer--encouraging interaction with the text. This book will instill in children the habit of being in direct contact with God's Word each day, equipping the next generation by laying the groundwork for a lifetime of Bible reading.

The Life Force either will not or cannot achieve immortality except in very low organisms: indeed it is by no means ascertained that even the amoeba is immortal. Human beings visibly wear out, though they last longer than their friends the dogs. Turtles, parrots, and elephants are believed to be capable of outliving the memory of the oldest human inhabitant. But the fact that new ones are born conclusively proves that they are not immortal. The Gospel-Centered Parent Deborah Harrell 2015-06-30 Our children are precious to us, so naturally we want to protect them and guarantee their safety and happiness. We want to get it right, so our children will be all right. But we live in a broken world where things don't always (or ever?) go as planned. Children make mistakes, and, if they are honest, parents know they make mistakes too. So it's easy for parents to live in fear, regret, confusion, and sometimes hopelessness about parenting and the children they love. Is there a better way? Can you learn to live by faith, to trust the God who made you and your children with their past, present, and future? How can parents live by faith as they parent their children? These are questions that are best answered in community. This ten-session small group resource will help parents apply the gospel of Jesus Christ to their families. Each lesson looks at parenting through the lens of God's grace for sinners (parents and children) and gives parents a gospel center to their parenting. Parents will learn how to live out the biblical principles of faith, repentance, and faithfulness to their calling as parents with their children. Each lesson is self-contained, featuring clear teaching from Scripture, and requires no extra work outside of the group setting. The self-explanatory Leader's Guide at the back of the book helps small group leaders with discussion questions and background material that clearly explain and apply the gospel truths from each lesson.

**Parenting from the Scriptures and Scriptures for the Parents** Mark Lovis 2017-01-26 Teach children how they should live, and they will remember it all their life. (Proverbs 22:6, NLT) Most children will grow up and leave home with very little knowledge of where to find the answers to their questions. As a result, the family is likely to experience many years of struggle and frustration. This book will equip parents, pastors, counselors, teachers, Christian groups, church groups, and, most of all, children with the information they need to learn Bible principles. The Topical Guide will enable them to use the Bible as a tool to find Scriptures that will help them with guidance for specific problems and questions children may have. Part 1 is a Topical Guide divided into 101 categories listed from A-Z. Below are a few topics covered in this section: Afraid Angry Attitude Being Yourself Bullying Cheating Complaining Disrespect Do Unto Others Friends Gossip Greedy Hate Jealousy Lazy Learning Lying Meanness Pay Back Prayer Rewards Self-Control Sorry Stealing Stubborn Talks Too Much Temptation Wisdom and Understanding Worry There are also eight bonus

sections in Part 2. God's wisdom is in the Bible, and this book shows you specifically where to find it for each of the 109 categories. This book gives parents the information they need to learn God's wisdom, so they can teach their family how to be the individuals God wants them to be. If a family is to experience a good life with minimal struggles, they must first acquire the right attitude; second, they must learn how to learn; and third, they must learn God's wisdom and understanding to guide them in making the right choices. All Scripture is given by God. And all Scripture is useful for teaching and showing people what is wrong in their lives. It is useful for correcting faults and teaching the right way to live. **Heritage Parenting** R. Thomas Schwind 2015-02-14 Parenting looked at through the lens of Scripture and Christian faith. Christian parents want to raise children that love God and learn to appreciate and navigate life through the timeless truths of

faith. The book contains end of chapter reflection/ discussion questions, a small group guide, topical scripture lists and other resources in the appendix. This book looks at four particular areas of parenting by Christians. First is the undeniable truth that young people leaving the family environment predominately wrestle with faith. It looks at why young people are not confident in the faith of their family and cites significant research to talk about that and how parents can counteract these causes of questioning faith. The second area looks at how Jesus trained the disciples to be world changers and ways in which parents can use the same common sense approach that Jesus did. Third, the book examines child development of intelligence, personality and morality. It presents how children grow and why their understanding of life is so different than adults. With this information, parents can communicate with their child and reach a whole new level of empathy and understanding. Fourth, The book presents a paradigm for examining your own family amid 7 facets (Pillars) of Christian family. The book does not tell you how you should practice your faith or your family but instead examines scriptural principles to help you understand your family and to intentionally raise Godly children. There is much opportunity for reflection and the spiritual depth of the content make this more than a book; it is a spiritual pilgrimage. The One Year Praying through the Bible for Your Kids Nancy Guthrie 2016-10-15 Daily encouragement for parents who realize the things they want most for their kids are things only God can do . . . so they pray. As parents we want to protect our children; we want them to move forward in life; most importantly, we

want them to take hold of and grow in Christ. And while the advice offered by parenting experts can be helpful, at some point we realize there are no simplistic formulas or sure-fire methods. We need wisdom from God's Word for this all-important task. In The One Year Praying through the Bible for Your Kids, trusted author Nancy Guthrie weaves together wisdom and insight from each day's reading in The One Year Bible, providing encouragement through the triumphs and turbulence of parenting. Day by day you'll find your dreams and desires for your children are becoming shaped more by Scripture than by the culture around you. Worry less, pray more, and help yourself to a daily dose of perspective, hope, and grace as you parent.

**Parenting First Aid** Marty Machowski 2020-04-20 As a companion small group resource to Parenting First Aid by Marty Machowski, this study guide reminds parents they aren't alone in

their struggles, providing an opportunity to talk about their challenges and pray for and encourage other parents. Each of the ten chapters of Parenting First Aid Study Guide contain book excerpts, Scriptures for encouragement, and questions to help stimulate discussion and application exercises. Machowski reminds men and women to rest in God's sovereign ability to reach and rescue their children. Unlike many other Christian parenting books, this resource helps moms and dads find comfort and hope in Christ rather than relying on techniques or to-do lists that fail to deliver what they seem to promise. So many moms and dads hide their child-rearing struggles, but by sharing together and praying for one another in a small group setting, parents can find encouragement, support, and community as they learn to trust God together in the midst of hardship. Raising kids isn't getting any easier, especially with the introduction of insta-porn on electronic devices, the ease of access to drugs, and the ever-increasing blurring of sexuality. This study guide is for weary mothers, fathers, and guardians who are overwhelmed with their children's choices and the culture that wars against their souls. For moms and dads with small struggles or weighty parenting trials—such as children involved with drugs, sexual sin, and teenage rebellion—this small group guide offers a place to begin conversations with other parents; seek community, Scripture, and prayer; and remember they aren't alone.
