Robert Ludlum's The Bourne

Retribution Robert Ludlum 2014-01-02
Jason Bourne is back. An exhilarating rush of a novel in Robert Ludlum's legendary series. 'Hugely enjoyable' Sunday Times. 'Watch your back 007 - Bourne is out to get you' - Sunday Times When the head of Mossad learns that a major Mexican drug lord may be trafficking something far more deadly than drugs, he turns to his friend Jason Bourne for help. Bourne agrees to investigate, but he has his own agenda: revenge. The drug lord is responsible for the murder of Rebeka - one of the only people Bourne has ever truly cared for. But as Bourne attempts to avenge the woman he loved, he becomes embroiled in a monstrous world-wide scheme involving the Chinese, Mexicans, and Russians. Each step closer to vengeance is a step closer to his own death.

Robert Ludlum's (TM) The Bourne Imperative Eric Van Lustbader 2012-06-05
The internationally known Jason Bourne can't help but feel connected to this case as he finds a man also with amnesia and the truth behind his identity could just save Bourne's life. The man Jason Bourne fishes out of the freezing sea is near death, half-

drowned and bleeding profusely from a gunshot wound. He awakens with no memory of who he is or why he was shot- and Bourne is eerily reminded of his own amnesia. Then Bourne discovers that the Mossad agent named Rebeka is so determined to find this injured man that she has gone off the grid, cut her ties to her agency, and is now being stalked by Mossad's most feared killer. Do the answers to these mysteries lie back in southeast Lebanon, in a secret encampment to which Bourne and Rebeka escaped following a firefight weeks ago? The complex trail links to the mission given to Treadstone directors Peter Marks and Soraya Moore: find the semi-mythic terrorist assassin known as Nicodemo. In the course of Bourne's desperate, deadly search for a secret that will alter the future of the entire world, he will experience both triumph and loss, and his life will never be the same. Now everything turns on the amnesiac. Bourne must learn his identity and purpose before both he and Rebeka are killed. From Stockholm to Washington, D.C., from Mexico City to Beijing, the web of lies and betrayals extends into a worldwide conspiracy of monumental proportions.

Robert Ludlum's (TM) The Utopia

Experiment Kyle Mills 2013-03-26 With U.S. intelligence agencies wracked by internal power struggles and paralyzed by bureaucracy, the president has been forced to establish his own clandestine group-- Covert-One. It's activated only as a last resort, when the threat is on a global scale and time is running out. The Utopia Experiment When Dresner Industries unveils the Merge, a device that is destined to revolutionize the world and make the personal computer and smartphone obsolete, Covert-One operative Colonel Jon Smith is assigned to assess its military potential. He discovers that enhanced vision, real-time battlefield displays, unbreakable security, and near-perfect marksmanship are only the beginning of a technology that will change the face of warfare forever--and one that must be kept out of the hands of America's enemies at all costs. Meanwhile, in the mountains of Afghanistan, CIA operative Randi Russell encounters an entire village of murdered Afghans--all equipped with enhanced Merge technology that even the Agency didn't know existed. As Smith and Russell delve into the circumstances surrounding the Afghans' deaths, they're quickly blocked by someone who seems to have access to the highest levels of the military--a person that even the president knows nothing about. Is the Merge really as secure as its creator claims? And what secrets about its development is the Pentagon so desperate to hide? Smith and Russell are determined to learn the truth. But they may pay for it with their lives . . .

Robert Ludlum's The Cassandra

Compact Robert Ludlum 2010-04-01 For over thirty years, Robert Ludlum has been acknowledged as the master of international suspense and intrigue. In 2000, Ludlum managed to raise the bar yet again with his widely acclaimed bestsellers *The Prometheus Deception* and *The Hades Factor*, the first novel in his exciting Covert-One series. Now Covert-One is back, in a novel that could only have come from the imagination of the world's greatest storyteller. "What they're going to do, I

never would have believed it. It's insanity!" They were the final words spoken by Yuri Danko, an officer in the medical division of Russia's security service, before his body was ripped apart by a spray of assassins' bullets. In possession of Danko's classified papers, Covert-One operative Jon Smith and CIA undercover agent Randi Russell have unearthed a terrifying global conspiracy that threatens to unleash a plague of immeasurable proportions. A Serb terrorist has been dispatched from Russia to spirit hazardous vials of deadly bacteria into the United States. His mission: deliver it to an unknown American government agent-- a shadowy figure whose own motives for acquiring the bioweapon are made all the more unfathomable when both men are found murdered, and the strain is stolen. Now Smith and Russell must track it down, find the madman who possesses it, and stop him before he holds a defenseless world hostage with the power to render the human race extinct.

Robert Ludlum's *The Janus Reprisal* Jamie Freveletti 2012-09-13 The brand new Covert-One novel in the series created by the undisputed master of the thriller genre and creator of Jason Bourne, Robert Ludlum. When Covert-One's top operative Jon Smith wakes in a hotel room, he's staring down the barrel of a gun. The area is under terrorist attack and within minutes, bombs explode right across the city. In this perfectly formulated chaos, criminal warlord Oman Dattar, held for crimes against humanity, escapes while his men attempt to steal a new strain of deadly bacteria being showcased at an international conference. In the wrong hands, it has the power to devastate nations - and Dattar and his men have it firmly in their sights to use in their plot to bring down the West once and for all. Can Jon Smith stop him or is it already too late?

Robert Ludlum's The Janson Option

Robert Ludlum 2014-03-18 Paul Janson returns in a new adventure... Reformed from his days of covert-operations, Paul Janson has set a new mission for himself. Working in partnership with champion sharpshooter

Jessica Kincaid, he rehabilitates disenchanted agents and helps them create new lives outside of the violent intelligence sector. Janson also takes on independent assignments--for a fee, he'll use his skills to resolve international crises. But only those that he believes contribute to the greater good of all. When oil executive Kingsman Helms begs Janson to rescue his wife, Allegra, from Somali pirates, Janson and Kincaid seize the opportunity. At last they can derail American Synergy Corporation's scheme to subvert sovereign nations into wholly-owned subsidiaries. But the pirates are the least lethal threat in the violent chaos of oil-rich East Africa, and when Janson and Kincaid stumble into a bewildering storm of plots and counterplots, they begin to fear that the only way to escape would be to abandon the innocent Allegra.

Robert Ludlum's The Geneva Strategy

Robert Ludlum 2015-02-03 One evening in Washington, DC, several high-ranking members of government disappear in a mass kidnapping. Among the kidnapped is Nick Rendel, a computer software coding expert in charge of drone programming and strategy. He is the victim with the most dangerous knowledge, including confidential passwords and codes that are used to program the drones. If revealed, his kidnapers could reprogram the drones to strike targets within the United States. Jon Smith and the Covert-One team begin a worldwide search to recover the officials, but as the first kidnapping victims are rescued, they show disturbing signs of brainwashing or mind-altering drugs. Smith's investigation leads him to Fort Detrick, where a researcher, Dr Laura Taylor, had been attempting to create a drug to wipe memory from soldiers suffering from post-traumatic stress syndrome. But Dr Taylor's research was suspended almost a year ago, when she was placed in a mental institution. Now, if Smith doesn't figure out the brainwashing drug, and track down the kidnapped Nick Rendel, the kidnapers will soon have the power to carry out drone strikes anywhere in the world...

Robert Ludlum's the Ares Decision James H. Cobb 2011 With U.S. intelligence agencies wracked by internal power struggles and paralyzed by bureaucracy, the President is forced to establish his own clandestine group - Covert-One - selected from the very best operators America has to offer. It is only activated as a last resort, when the threat is on a global scale and time is running out. In Northern Uganda an

American Special Forces team is wiped out by a group of normally peaceful farmers. Video of the attack shows even women and children possessing almost supernatural speed and strength, consumed with a rage that makes them immune to pain, fear, and all but the most devastating injuries. Covert-One's top operative, Army microbiologist Colonel Jon Smith, is sent to investigate the attack and finds evidence of a parasitic infection that for centuries has been causing violent insanity and then going dormant. This time, though, it's different. The infection is purposely being kept alive and the director of Iranian Intelligence is in Uganda trying to make a deal for a biological weapon to unleash on the West. As Smith and his team are cut off from all outside support, they begin to suspect that forces much more powerful than the Iranians are in play - forces that can be traced to Washington itself.

Robert Ludlum's The Lazarus Vendetta

Robert Ludlum 2010-02-25 A thrilling Covert-One novel, from the world's No. 1 bestselling international author. In the increasingly turbulent atmosphere of international politics, a once grassroots anti-globalisation movement has been slowly taken over by an underground radical anti-technology group fronted by a mysterious figure known only as Lazarus. All attempts to infiltrate the group have failed, and the intelligence agents involved have disappeared without trace. Now Lazarus is preparing to make his boldest move yet. Lt Col. Jon Smith is activated by Covert-One to bring his skills to bear in uncovering the truth behind the terrorists. For, unbeknown to the world at large, the Lazarus Movement is on the brink of setting in motion a deadly scheme that will risk the lives of billions and for ever change the nature of the world.

The Bancroft Strategy Robert Ludlum 2010-02-25 Intelligence agent Todd Belknap is fired after a mission goes wrong - now he's a lone operative on the loose... When Todd Belknap's best friend goes missing, it seems that a mysterious figure, known only as 'Genesis', is responsible. Meanwhile, hedge fund analyst Andrea Newton gets an

unexpected call. She has been left a fortune by a cousin she's never met - on the condition that she joins the board of the charitable Bancroft Foundation. Yet the foundation appears less and less benign the more deeply involved she becomes. As events escalate, and Genesis appears to be working to destabilise governments, Todd and Andrea must form an uneasy alliance if they are to uncover the truth - before it's too late...

The Immortalists Kyle Mills 2011 "What would you do to save the life of your child? It's a question microbiologist Richard Draman thought he'd answered when he walked away from his career to focus on curing a genetic defect that is causing his daughter to age at a wildly accelerated rate. But now he and his wife Carly are being forced to come to terms with the fact that eight-year-old Susie's time is running out. Then they receive an unexpected gift: startling new research into the fundamental secrets of life that could be the miracle they've been looking for. When Richard is arrested on a trumped-up charge of having stolen the data, he takes his family and runs, seeking out a retired special-forces operative and old friend to help dig up the truth behind the controversial experiments. Determined to either save Susie's life or die trying, the Dramans plunge into a bloody conflict between two powerful factions vying for control of a discovery that could change the face of humanity" -- from author's web site.

Robert Ludlum's The Paris Option Robert Ludlum 2010-02-25 An excellent COVERT-ONE thriller from the bestselling writing team - Robert Ludlum and Gayle Lynds. A fiery explosion shatters a laboratory building in Paris. Among the dead is Emile Chambord, one of the leaders in the global race to create a molecular - or DNA - computer. Unfortunately, Professor Chambord kept the details of his work secret, and his notes were apparently destroyed in the fire. Then suddenly US fighter jets disappear from radar screens for a full five minutes and there's no explanation; utilities cease to function; and all telecommunications abruptly stop, with devastating consequences. This is not the work of a clever hacker - only the enormous power and speed of a DNA computer could have caused such havoc. Covert-One agent Jon Smith flies to Paris to investigate.

Following a trail that leads him across two continents, he uncovers a web of deception that threatens to reshape the world for ever...

Robert Ludlum's The Altman Code Robert Ludlum 2010-03-11 The fourth instalment in the COVERT-ONE series from the master of the thriller genre. On the dark waterside docks of Shanghai, a photographer records cargo being secretly loaded. He's brutally killed and his camera destroyed. Two weeks later on the dangerous high seas, the US Navy covertly tracks a Chinese ship rumoured to carry tons of chemicals to create biological weapons of mass destruction. The President cannot let the ship reach its destination - a rogue Middle East nation. But he doesn't want the navy to attack and board it either, because decades of negotiations with China have at long last yielded a landmark human rights agreement that China is willing to sign. Covert-One operative Jon Smith is brought in to find solid proof of what the Chinese ship is ferrying. Then an agent is murdered and vital evidence destroyed. Smith must find the truth about the ship, a truth that probes the deepest secrets of the Chinese ruling party...

Robert Ludlum's (TM) The Janson Command Paul Garrison 2012-02-14 Paul Janson, a character first featured in Robert Ludlum's bestselling novel *The Janson Directive*, has a new goal: save the world, one operative, one mission, one redemption at a time. Reformed from his days of covert-operations, Paul Janson has set a new mission for himself. Working in partnership with champion sharpshooter Jessica Kincaid, he rehabilitates disenchanting agents and helps them create new lives outside of the violent intelligence sector. These former operatives then form a network of support for Janson when it comes to his other job-- Janson also takes on independent assignments. For a fee, he'll use his skills to resolve international crises. But only those actions that he believes contribute to the greater good of all. Whether he's rescuing an American doctor from Somali pirates, attacking militant thugs intent on murdering a West African public servant agitating for human rights, or hunting the money-lenders who capitalize on barbaric civil war, Janson stays honest with three simple rules: 1) No torture. 2) No civilian casualties. 3) No killing anyone who doesn't try to kill them. Yet with his commitment to doing what is right--while facing canny intelligence operatives, ruthless warlords, deep sea marauders, or brutal dictators--Janson finds that his most difficult task is figuring out if he's fighting for the good side.

When Smiles Fade Paige Dearth 2013 Emma was unloved from the moment she was born. Her earliest memory is being severely beaten by her father, Pepper Murphy, when she was just eight-years-old. Seething with resentment over the sacrifice of his dreams for a woman he cares little about and children he never wanted, Pepper chooses to blame his older daughter. Her mother, Valerie, makes matters worse with her verbal abuse, leaving Emma isolated with a man that had no boundaries in punishing his daughter, taking his abuse to unimaginable levels. Emma's father's coldblooded beatings and the ultimate abuse to which he subjects her, lays the foundation of the person she becomes. As she matures into a resourceful teenager, she is unwilling and unable to stifle her desire for revenge. Reaching her breaking point she can no longer control the impulse to fight back and finally takes matters into her own hands. Having learned the art of hatred from her father and the mastery of manipulation from her mother, young Emma now sets out to make a better life for herself, leaving the memory of the abused child she had once been behind her. Hardened by the heartless brutality she encounters and the dangerous situations she must overcome in the course of her journey, she faces every challenge that comes her way in her quest for a normal life for herself and for those she loves. Finally a person emerges from within that guides her toward a better life until she learns of a secret that sets her on the path of ultimate redemption.

As Smith and his team are cut off from all outside support, they begin to suspect that forces much more powerful than the Iranians are in play - forces that can be traced to Washington itself.

Robert Ludlum's The Ares Decision Kyle Mills 2011-09-15 The brand new Covert-One thriller from a master storyteller and global bestseller. When a US Special Forces team is wiped out by a group of normally peaceful farmers in Uganda, Covert-One operative Jon Smith is sent to investigate. Video of the

attack shows even women and children possessing almost supernatural speed and strength, consumed with a rage that makes them immune to pain, fear and all but the most devastating injuries. Smith finds evidence of a parasitic infection that for centuries has been causing violent insanity and then going dormant. This time, though, it's different. And as Smith and his team are cut off from all outside support, they begin

to suspect that forces much closer to home are in play...
