The Cabin Jasinda Wilder 2021-01-21 One year ago, I buried my husband. One year ago, I held his hand and said goodbye. Now I spend most of my days lost somewhere between trying to remember every smallest detail of our lives, and trying to forget it all. I fill my hours with work until I'm too

exhausted to remember
him, to feel anything at
all. One year, 365
days—and then one knock
at my door changes
everything. A letter
from him, a last
request, a secret will:
My dearest Nadia, Trust
me, my love. One last
time, trust me.

Sometimes the epilogue
to one story is the
beginning of another.

The Long Way Home

Jasinda Wilder

2017-06-30 I need you,
Ava. I am desperate. For
you. For touch. For a
kiss. For the scrape of
your hand down my
stomach. For the slide
of your lips across my
hipbone. The sweep of
your thigh against mine
in the dulcet, drowning
darkness. For the warm
huff of your breath on
my skin and the wet suck
of your mouth around me
and the building
pressure of need
reaching release...I am
mad with need. Wild with

it. I cannot have you. I
have lost you, as I have
lost myself. And so I go
in search. Of myself,
and thus the man who
might return to you, and
take you in his arms. I
loathe each of the
thousands of miles
between us, but I cannot
wish them away, for I
hope at the end of my
journey I shall find
you. Or rather, find
myself, and thus...you.
Myself, and thus us. I
am taking the long way
home, Ava. * * *

Christian, I'm losing my
mind, and I don't know
how to stop it. I
shouldn't be writing to
you, but I am. I'm
friendless, loveless,
and lifeless. You're out
there somewhere, and
still you're all I
really have. I hate my
reliance and dependence
on you, emotionally and
otherwise, and that
reliance is something
I'm coming to recognize.
I hate that I can't hate

you as much as I want to. I hate that I still love you so much. I hate that there's no clear solution to our conundrum. Even if we could forgive each other, what then? I hate you, Christian. I really do. But most of all, I don't. It's complicated. Complicatedly (still) yours, Ava

Thus, I do what I must to live, to eat, and I try very hard to not consider the cost to my soul. My heart is empty, and my existence brutal. The one impossibility in

my life is love. And then I meet HIM. *** War is hell. It takes a chunk out of a man's very soul to do the kinds of things war demands of you. You live with fear, you live with guilt, and you live with nightmares. If you haven't been through it, there's no understanding it. War leaves no room for love, no room for tenderness or softness. You gotta be hard, closed off, and ready to fight every moment of every day. Lose focus for a split second, and you're dead. Now the only thing that can save me is HER.

Meeting Mr Anderson Elle

Nicoll 2021-05-22 Some people go to Hollywood to chase their dream. My Hollywood dream is in seat 4A. After the stunt my ex pulled, no one would blame me if I swore off men forever, especially one like Mr Jay Anderson, Hollywood's sexiest heartthrob. But I know one thing for sure, he should come with a warning label. Because once you meet a man like Jay Anderson, there is no going back. With his dirty blonde hair and those eyes; he's a beautiful, X-rated fairy-tale. But beauty is a magnificent smokescreen. And a fairy-tale is just that... a tale. It's never as simple as

happily ever after, not when you're meeting Mr Anderson. This is a steamy, standalone, contemporary romance intended for readers aged 18 and over.

2015-03-13 The first time it happened, it seemed like an impossible miracle. Bills were piling up, adding up to more money than I could ever make. Mom's hospital bills. My baby brother's tuition. My tuition. Rent. Electricity. All of it on my shoulders. And I had just lost my job. There was no hope, no money in my account, no work to be found. And then, just when I thought all hope was lost, I found an envelope in the mail. No return address. My name on the front, my address. Inside was a check, made out to me, in the amount of ten thousand dollars. Enough to pay the bills and leave me some left over to live on until I found a job. Enough to let me focus on classes. There was no name on the

check, just "VRI Inc.," and a post office box address for somewhere in the city. No hint of identity or reason for the check or anything. No mention of repayment, interest, nothing... except a single word, on the notes line: "You." If you receive a mysterious check, for enough money to erase all your worries, would you cash it? I did. The next month, I received another check, again from VRI Incorporated. It too contained a single word: belong." A third check, the next month. This time, two words. Four letters. "To me." The checks kept coming. The notes stopped. Ten thousand dollars, every month. A girl gets used to that, real quick. It let me pay the bills without going into debt. Let me keep my baby brother in school and Mom's hospice care paid for. How do

you turn down what seems like free money, when you're desperate? You don't. I didn't. And then, after a year, there was a knock on my door. A sleek black limousine sat on the curb in front of my house. A driver stood in front of me, and he spoke six words: "It's time to pay your debt." Would you have gotten in? I did. It turns out \$120,000 doesn't come free.

Big Girls Do It Jasinda Wilder 2012-11-01 Enjoy all four of the Big Girls Do It stories in one volume, with special expanded scenes available only in this collection! Big Girls Do It Better Gorgeous, rock-star guys like Chase Delany don't go for girls like me. They go for supermodels and actresses, skinny-girls who never eat and spend all day working out. I'm not that girl. So when

he locked his fiery brown eyes on me for the first time, I couldn't quite believe it was really happening to me. It was the second night I spent with him that I'll never forget. Big Girls Do It Wetter Chase went to New York...without me. It was only one night, one delicious, sinful night, but it awakened something within me, and now, with him gone, I have no one to satiate my sudden, ferocious hunger. Then I woke up one day and looked at someone near and dear to me in a whole new light. And my world was rocked once again. Big Girls Do It Wilder I'm going. Going to New York City to be with gorgeous, mysterious, rockstar Chase Delany seemed like a crazy dream, a fantasy come true. The bright lights and music, and his tight, sexy leather pants called to me...and

I answered. Chase might want more and I just might give it to him, if I could only forget what I started with Jeff back in Detroit. I thought I had my love life all figured out, I thought I knew what I wanted, and then things went and changed on me all over again... Big Girls Do It On Top I fled New York with my heart breaking and a million questions. Foremost in my mind was whether Jeff would even see me after the colossal mess that New York turned out to be. I discovered the answer, but that only spawned even more questions, many of the yes or no variety...

Stripped Jasinda Wilder 2013-08-14 So how did I get myself into this situation, you ask? Simple: desperation. When you're faced with being homeless and hungry or taking off your clothes for money, the choice is easier than you'd imagine. That

doesn't make it easy, though. Oh no. I hate it, in fact. There's nothing I'd like more than to quit and never go into another bar again, never hear the techno beat pulsing in my ears again, never feel the lecherous gazes of horny men again. Then, one day, I meet a man. He's in my club, front and center. He watches me do my routine, and his gaze is full of hunger. Not the kind of desire I'm used to though. It's something different. Something hotter, deeper, and more possessive. I know who he is; of course I do. Everyone knows who Dawson Kellor is. He's People Magazine's Sexiest Man alive. He's the hottest actor in Hollywood. He's the man hand-picked for the role of Rhett Butler in the long-awaited remake of Gone With the Wind. He's

the kind of man who can have any woman in the entire world with a mere crook of his finger. So what's he doing looking at me like he has to have me? And how do I resist him when he looks at me with those intoxicating, changeable, quicksilver eyes? I'm a virgin, and he's an American icon of male sexuality. I'm a stripper, and he's a man used to getting anything and everything he wants. And he wants me. I know I should say no, I know he's the worst kind of player...but what my mind knows, my body and my heart may not. And then things get complicated.

Forever and Always Jasinda Wilder
2013-12-20 Ever, These letters are often all that get me through week to week. Even if it's just random stuff, nothing important, they're important to me. Gramps is great, and I love working on the ranch. But... I'm lonely. I feel disconnected, like I'm no one, like I don't

belong anywhere. Like I'm just here until something else happens. I don't even know what I want with my future. But your letters, they make me feel connected to something, to someone. I had a crush on you, when we first met. I thought you were beautiful. So beautiful. It was hard to think of anything else. Then camp ended and we never got together, and now all I have of you is these letters. S**t. I just told you I have a crush on you. HAD. Had a crush. Not sure what is anymore. A letter-crush? A literary love? That's stupid. Sorry. I just have this rule with myself that I never throw away what I write and I always send it, so hopefully this doesn't weird you out too much. I had a dream about you too. Same kind of thing. Us, in the darkness, together. Just us. And

it was like you said, a memory turned into a dream, but a memory of something that's never happened, but in the dream it felt so real, and it was more, I don't even know, more RIGHT than anything I've ever felt, in life or in dreams. I wonder what it means that we both had the same dream about each other. Maybe nothing, maybe everything. You tell me. Cade Cade, We're pen pals. Maybe that's all we'll ever be. I don't know. If we met IRL (in real life, in case you're not familiar with the term) what would happen? And just FYI, the term you used, a literary love? It was beautiful. So beautiful. That term means something, between us now. We are literary loves. Lovers? I do love you, in some strange way. Knowing about you, in these letters,

knowing your hurt and your joys, it means something so important to me, that I just can't describe. I need your art, and your letters, and your literary love. If we never have anything else between us, I need this. I do. Maybe this letter will only complicate things, but like you I have a rule that I never erase or throw away what I've written and I always send it, no matter what I write in the letter. Your literary love, Ever

2015-08-04 This isn't a fairy tale. Not everyone will get a happily ever after. Sometimes we can't just walk away from the past. Love doesn't always save the day. The beast won't always get his beauty. But maybe, just maybe, we can get our happy ending.

Falling Into You Jasinda Wilder 2014-11-13 I wasn't always in love with Colton Calloway; I was in love with his younger brother, Kyle, first. Kyle was my first one true love, my first in every way. Then, one stormy August night, he died, and the person I was died with him. Colton didn't teach me how to live. He didn't heal the pain. He didn't make it okay. He taught me how to hurt, how to not be okay, and, eventually, how to let go. Nell Hawthorne is in

love with her life-long best friend, Kyle Calloway. Things are great, and they're in love, young, full of promise. Then Kyle dies in a tragic accident and Nell is forever changed. She meets Kyle's older brother Colton at the funeral, and there's a spark, but it's wrong and they both know it. The moment passes, and they both move on with life. A couple years later, they meet again in New York City, and Colton realizes that Nell has never really gotten over Kyle's death, and seems to be harboring a deeply rooted pain, something like guilt, perhaps. He knows he shouldn't get involved, but he can't help himself. Trust doesn't come easily for either of them, and they both have demons, Colton especially. Together, they learn the purpose of pain and the meaning

of healing, and the importance of forgiveness.

Duke: Alpha One

Security: Book 3 Jasinda Wilder 2016-12-09 Under ordinary circumstances, waking up bound and gagged next to a hot guy wouldn't be the worst thing that's ever happened, but these aren't ordinary circumstances. There's guys with guns after us...LOTS of them--both the guns and the guys. Six-six, built like a god, red hair, blue eyes, and a tree trunk between his legs. Yeah. This is the guy I got

kidnapped with. Phrasing is important there: kidnapped WITH, not kidnapped BY.

Fortunately, Duke Silver is a hard-core badass, because it's going to take every last shred of skill he has as a killer commando to keep us both alive, and even then, nothing's a sure thing.

2014-08-12 Love is never easy. It's especially difficult when you love a Marine. I knew the risk when I said "I do," but I chose to love anyway. In a flash, he was taken from me, and now I'm alone.

Struggling and desperate. There's no hope, no future. Just the endless cycle of day-to-day survival. But

a letter returned could change all of that. Hope and love often come from the last place you'd think to look, when you least expect it. * * * I was a lost, broken soul, tortured by the memories of what I'd endured.

When I visited that old farmhouse in rural Texas, all I wanted to do was return the letter. Keep a promise to a friend. What I got was healing.

Understanding. The chance to find a measure of peace when all I've ever known is war. We both lost everything. But in each other, we found something worth fighting for.
