The Veiled Suite Agha Shahid Ali 2010-02-18 Blended with the intricacies of European and Urdu traditional cultures, the poetic works of Agha Shahid Ali had the power to transform the ordinary into something extraordinary. The *Veiled Suite: The Collected Poems* is an anthology of his life works that spans to thirty years of his career as a poet and six successful volumes that he had the chance to publish during his lifetime. This book opens with his last poetic composition *The Veiled Suite: The Collected Poems*, a canzone, which was published posthumously. He had penned this poem a year prior to his death. This book contains some of his famous poems like *Postcard from Kashmir*, *A Lost Memory of Delhi*, *Snowmen*, *Cracked Portraits*, *Story of a Silence*, *Poets on Bathroom Walls*, *Now No Longer Little*, *Medusa*, *The Blessed Word: A prologue*, *Some Visions of the World* *Cashmere*, *New Delhi Airport*, *I have Loved*, and many more remarkable poems. From his early works to his mature translations of Ghazals, the readers can evidently see his progression from his directly descriptive poetic works to the dynamic and stratified compositions of his later collections in this book. This is the underlying factor that adds to make *The Veiled Suite: The Collected Poems*, the ultimate book for his fans.

Never Better! Miriam Udel 2016-04-18 It was only when Jewish writers gave up on the lofty Enlightenment ideals of progress and improvement that the Yiddish novel could decisively enter modernity. Animating their fictions were a set of unheroic heroes who struck a precarious balance between sanguinity and irony that author Miriam Udel captures through the phrase "never better." With this rhetorical homage toward the double-voiced utterances of Sholem Aleichem, Udel gestures at these characters' insouciant proclamation that things had never been better, and their rueful, even despairing admission that things would probably never get better. The

characters defined by this dual consciousness constitute a new kind of protagonist: a distinctively Jewish scapegrace whom Udel denominates the *polit* or refugee. Cousin to the Golden Age Spanish *pícaro*, the *polit* is a socially marginal figure who narrates his own story in discrete episodes, as if stringing beads on a narrative necklace. A deeply unsettled figure, the *polit* is allergic to sentimentality and even routine domesticity. His sequential misadventures point the way toward the heart of the picaresque, which Jewish authors refashion as a vehicle for modernism—not only in Yiddish, but also in German, Russian, English and Hebrew. Udel draws out the contours of the new Jewish picaresque by contrasting it against the nineteenth-century genre of progress epitomized by the *Bildungsroman*. While this book is grounded in modern Jewish literature, its implications stretch toward genre studies in connection with modernist fiction more generally. Udel lays out for a diverse readership concepts in the history and theory of the novel while also explicating the relevant particularities of Jewish literary culture. In addressing the literary stylistics of a "minor" modernism, this study illuminates how the adoption of a picaresque sensibility allowed minority authors to write simultaneously within and against the literary traditions of Europe.

The Vintage Mencken Alistair Cooke 2008-11 This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1902 Excerpt: ...earth. r' = radius of moon, or other body. P = moon's horizontal parallax = earth's angular semidiameter as seen from the moon. f = moon's angular semidiameter. Now $= P$ (in circular measure), $r'-r = r$ (in circular measure);'. $r:r:: P:P'$, or (radius of earth): (radius of moon):: (moon's parallax): (moon's semidiameter). Examples. 1. Taking the moon's horizontal parallax as $57'$, and its angular diameter as $32'$, find its radius in miles, assuming the earth's radius to be 4000 miles. Here moon's semidiameter = $16'$;-. $4000:: 57': 16'$;-. $r = 400 \frac{16}{57} = 1123$ miles. 2. The sun's horizontal parallax being $8''8$, and his angular diameter $32V$ find his diameter in miles. ' Am. $872,727$ miles. 3. The synodic period of Venus being 584 days, find the angle gained in each minute of time on the earth round the sun as centre. Am. $1''-54$ per minute. 4. Find the angular velocity with which Venus crosses the sun's disc, assuming the distances of Venus and the earth from the sun are as 7 to 10, as given by Bode's Law. Since (fig. 50) $S V: VA:: 7: 3$. But Sr has a relative angular velocity round the sun of $1''-54$ per minute (see Example 3); therefore, the relative angular velocity of $A V$ round A is greater than this in the ratio of $7: 3$, which gives an approximate result of $3''-6$ per minute, the true rate being about $4''$ per minute. Annual ParaUax. 95. We have already seen that no displacement of the observer due to a change of position on the earth's surface could apparently affect the direction of a fixed star. However, as the earth in its annual motion describes an orbit of about 92 million miles radius round the sun, the different positions in space from which an observer views the fixed stars from time to time throughout the year must be separated ...

Commentary on the Torah Richard Elliott Friedman 2012-09-18 In this groundbreaking and insightful new commentary, one of the world's leading biblical scholars unveils the unity and continuity of the Torah for the modern reader. Richard Elliott Friedman, the bestselling author of *Who Wrote the Bible?*, integrates the most recent discoveries in biblical archaeology and research with the fruits of years of experience studying and teaching the Bible to illuminate the straightforward meaning of the text -- "to shed new light on the Torah and, more important, to open windows through which it sheds its light on us." While other commentaries are generally collections of comments by a number of scholars, this is a unified commentary on the Torah by a single scholar, the most unified by a Jewish scholar in centuries. It includes the original Hebrew text, a new translation, and an authoritative, accessibly written interpretation and analysis of each passage that remains focused on the meaning of the Torah as a whole, showing how its separate books are united into one cohesive, all-encompassing sacred literary masterpiece. This landmark work is destined to take its place as a classic in the libraries of lay readers and scholars alike, as we seek to understand the significance of the scriptural texts for our lives today, and for years to come.

Wake Up, Woods Michael A. Homoya 2019-10 Early in the year, our North American forests come to life as native wildflowers start to push up through patches of snow. With longer days and sunlight streaming down through bare branches of towering trees, life on the forest floor awakens from its winter sleep. Plants such as green dragon, squirrel corn, and bloodroot interact with their pollinators and seed dispersers and rush to create new life before the trees above leaf out and block the sun's rays. *Wake Up, Woods* showcases the

splendor of our warming forests and offers clues to nature's annual springtime floral show as we walk in our parks and wilderness areas, or even in shade gardens around our homes. Readers of *Wake Up, Woods* will see that Gillian Harris, Michael Homoya and Shane Gibson, through illustrations and text, present a captivating look into our forests' biodiversity, showing how species depend on plants for food and help assure plant reproduction. This book celebrates some of nature's most fascinating moments that happen in forests where we live and play.

Kasher in the Rye Moshe Kasher 2012-03-28 A hopeful and inspiring "act of comedic magic" from comedian—and now memoirist!—Moshe Kasher (Artie Lange, #1 New York Times bestselling author of *Too Fat to Fish*). Rising young comedian Moshe Kasher is lucky to be alive. He started using drugs when he was just 12. At that point, he had already been in psychoanalysis for 8 years. By the time he was 15, he had been in and out of several mental institutions, drifting from therapy to rehab to arrest to...you get the picture. But *Kasher in the Rye* is not an "eye opener" to the horrors of addiction. It's a hilarious memoir about the absurdity of it all. When he was a young boy, Kasher's mother took him on a vacation to the West Coast. Well it was more like an abduction. Only not officially. She stole them away from their father and they moved to Oakland, California. That's where the real fun begins, in the war zone of Oakland Public Schools. He was more than just out of control—his mother walked him around on a leash, which he chewed through and ran away. Those early years read like part Augusten Burroughs, part David Sedaris, with a touch of Jim Carroll...but a lot more Jewish. In fact, Kasher later spends time in a Brooklyn Hasidic community. Then came addiction...

Brutally honest and laugh-out-loud funny, Kasher's first literary endeavor finds humor in even the most horrifying situations.

Lost and Found Sarah Jakes 2014-04-01 Don't let your past keep you from a full future. Like every girl, Sarah Jakes dreamed of a life full of love, laughter, and happy endings. But her dreams changed dramatically when she became pregnant at age thirteen, a reality only compounded by the fact that her father, Bishop T.D. Jakes, was one of the most influential megachurch pastors in the nation. As a teen mom and a high-profile preacher's kid, her road was lonely. She was shunned at school, gossiped about at church. And a few years later, when a fairy-tale marriage ended in a spiral of hurt and rejection, she could have let her pain dictate her future. Instead, she found herself surrounded by a God she'd given up on, crashing headlong with Him into a destiny she'd never dreamed of. Sarah's captivating story, unflinchingly honest and deeply vulnerable, is a vivid reminder that God can turn even the deepest pain into His perfection. More than a memoir, *Lost and Found* offers hope and encouragement. Perhaps you, like Sarah, find yourself wandering the detours of life. Regardless of how lost you feel, you, too, can be found.

Good Morning, Beautiful Business Judy Wicks 2013 It's not often that someone stumbles into entrepreneurship and ends up reviving a community and starting a national economic-reform movement. But that's what happened when, in 1983, Judy Wicks founded the White Dog Café on the first floor of her house on a row of Victorian brownstones in West Philadelphia. After helping to save her block from demolition, Judy grew what began as a tiny muffin shop into a 200-seat restaurant—one of the first to feature local, organic, and humane food. The restaurant blossomed into a regional hub for community, and a national powerhouse for modeling socially responsible business. *Good Morning, Beautiful Business* is a memoir about the evolution of

an entrepreneur who would not only change her neighborhood, but would also change her world—helping communities far and wide create local living economies that value people and place as much as commerce and that make communities not just interesting and diverse and prosperous, but also resilient. Wicks recounts a girlhood coming of age in the sixties, a stint working in an Alaska Eskimo village in the seventies, her experience cofounding the first Free People store, her accidental entry into the world of restaurantering, the emergence of the celebrated White Dog Café, and her eventual role as an international leader and speaker in the local-living-economies movement. Her memoir traces the roots of her career - exploring what it takes to marry social change and commerce, and do business differently. Passionate, fun, and inspirational, *Good Morning, Beautiful Business* explores the way women, and men, can follow both mind and heart, do what's right, and do well by doing good.

But I never stopped trying, and now that I have, her past sins should be the least of her worries. Riley From the moment he saw me, I knew I'd ruin his life. Strange Power of Speech Susan Eilenberg 1992 Eilenberg's subject is the relationship between tropes of literary property and signification in the writings and literary politics of Wordsworth and Coleridge. She argues that a complex of ideas about property, propriety, and possession informs the images of literary authority, textual identity, and poetic figuration found in the two writers' major work. During the period of their closest collaboration as well as at points later in their careers, Wordsworth and Coleridge took as their primary material the images of property and propriety upon which definitions of meaning and figuration have traditionally depended, grounding these images in writings about landed and spiritual property, material and intellectual theft, dispossession by banks and possession by demons. The writings and the politics generated by the literalization of such images can be read as allegorical of the structures and processes of signification. Each such gesture addresses in some way the fundamental question - who owns language, or who controls meaning?; Eilenberg's approach brings to bear a combination of deconstructive, psychoanalytic, and both new and literary historical methods to provide a deeper understanding of the relationship between two of the major figures of English Romanticism as well as fresh insight into what is at stake in the analogy between the verbal and the material or the literary and the economic.

Thinking in New Boxes Luc De Brabandere 2013-09-10 When BIC, manufacturer of disposable ballpoint pens, wanted to grow, it looked for an idea beyond introducing new sizes and ink colors. Someone suggested lighters. LIGHTERS? With an idea that seemed crazy at first, that bright executive, instead of seeing BIC as a pen company—a business in the PEN “box”—figured out that there was growth to be found in the DISPOSABLE “box.” And he was right. Now there are disposable BIC lighters, razors, even phones. The company opened its door to a host of opportunities. IT INVENTED A NEW BOX. Your business can, too. And simply thinking “out of the box” is not the answer. True ingenuity needs structure, hard analysis, and bold brainstorming. It needs to start THINKING IN NEW BOXES—a revolutionary process for sustainable creativity from two strategic innovation experts from The Boston Consulting Group (BCG). To make sense of the world, we all rely on assumptions, on models—on what Luc de Brabandere and Alan Iny call “boxes.” If we are unaware of our boxes, they can blind us to risks and opportunities. This innovative book challenges everything you thought you knew about business creativity by breaking creativity down into five steps: • Doubt everything. Challenge your current perspectives. • Probe the possible. Explore options around you. • Diverge. Generate many new and exciting ideas, even if they seem absurd. • Converge. Evaluate and select the ideas that will drive breakthrough results. • Reevaluate. Relentlessly. No idea is a good idea forever. And did we mention Reevaluate? Relentlessly. Creativity is paramount if you are to thrive in a time of accelerating change. Replete with practical and potent creativity tools, and featuring fascinating case studies from BIC to Ford to Trader Joe's, *Thinking in New Boxes* will help you and your company overcome missed opportunities and stay ahead of

the curve. This book isn't a simpleminded checklist. This is Thinking in New Boxes. And it will be fun. (We promise.) Praise for Thinking in New Boxes "Excellent . . . The Dancing Girls of Lahore Louise Brown 2009-10-13 An unforgettable and compassionate look at the lives of the residents of Lahore's pleasure district. The Dancing Girls of Lahore inhabit the Diamond District in the shadow of a great mosque. The 21st century goes on outside the walls, this ancient quarter, but scarcely registers within. Though their trade can be described with accuracy as prostitution, the dancing girls have an illustrious history: beloved by sultans, their sophisticated art encompassed the best of Mughal culture. The modern day Bollywood aesthetic, with its love of gaudy spectacle, music, and dance, is their distant legacy. But the life of the pampered courtesan is not the one now being lived by Maha and her three girls. What they do is forbidden by Islam, though tolerated; but they are, unclean, and Maha's daughters, like her, are born into the business and will not leave it. Sociologist Louise Brown spent four years in the most intimate study of the family life of one Lahori courtesan. Beautifully understated, it turns a novelist's eye on a true story that beggars the imagination. Maha, at fourteen a classically trained dancer of exquisite grace, had her virginity sold to the Sultan of Dubai; when her own daughter Nena comes of age and Maha cannot bring in the money she once did, she faces a terrible decision as the agents of the Sultan come calling once more.
