Day Watch Sergei Lukyanenko 2014-01-21 The second book in the internationally bestselling Night Watch series. Set in contemporary Moscow, the Night Watch series tells the story of the Others, an ancient race of magicians, shape-shifters, vampires, and other supernatural beings that live among us, and swear allegiance to either the powers of Darkness, or the forces of Light. For the past 1000 years, the two sides have been locked in an uneasy truce, keeping their powers in balance as each side secretly plots to take the advantage for themselves. The forces of Darkness tasked with keeping the Light Others in check are the Day Watch. In Day Watch, we follow the Dark Others, including a young witch with the tragic misfortune of falling in love with a Light Other, a powerful warlock who struggles to understand his purpose in the war, and a top lieutenant who worries that Zabulon, the leader of the Day Watch, is planning to betray him. Meanwhile, a powerful artifact with the ability to bring the most powerful Dark magician in history back to life has gone missing. Day Watch maintains the clever, fast-paced style of the original, and shows the reader that even in a world of witches and wizards, vampires and werewolves, good and evil can be a matter of perspective.

The Near Witch V. E. Schwab 2020-01-28 ENTERTAINMENT WEEKLY’s BEST YA OF THE DECADE NEW YORK TIMES bestseller Brand new edition of Victoria Schwab’s long out-of-print, stunning debut. The Near Witch is only an old story told to frighten children. If the wind calls at night, you must not listen. The wind is lonely, and always looking for company. There are no strangers in the town of Near. These are the truths that Lexi has heard all her life. But when an actual stranger, a boy who seems to fade like smoke, appears outside her home on the moor at night, she knows that at least one of these sayings is no longer true. The next night, the children of Near start disappearing from their beds, and the mysterious boy falls under suspicion. As the hunt for the children intensifies, so does Lexi’s need to know about the witch that just might be more than a bedtime story, about the wind that seems to speak through the walls at night, and about the history of this nameless boy. Part fairy tale, part love story, Victoria Schwab’s debut novel is entirely original yet achingly familiar: a song you heard long ago, a whisper carried by the wind, and a dream you won’t soon forget.

Swords and Ice Magic Fritz Leiber 2014-04-01 Stories of sword and sorcery by a Grand Master of Science Fiction and Fantasy! In Swords and Ice Magic, Fafhrd and Gray Mouser discover how the sadness of the Executioner creates a macabre dance from the point of view of the choreographer. Beauties and beasts explain the dual nature of all life’s creatures. Trapped in the Shadowland, our dogmatic duo finds the dualities of swords and needles, maps and territories, girls and demons, mortals and gods, learning of the mischievous vanity of the gods. Lost at sea, Gray Mouser becomes a natural philosopher, drifting, captive of the Great Equatorial Current. He wonders about fire and ice, about women and men, until they arrive at Rime Isle, a tragic comedy of a place, wandering gods and restless mortals, a comedy with puppets and puppet masters. Before The Lord of the Rings took the world by storm, Leiber’s fantastic but thoroughly flawed antiheroes, Fafhrd and Gray Mouser, adventured deep within the caves of Inner Earth, albeit a different one. They wandered and wandered to the edges of the Outer Sea, across the Land of Nehwon and throughout every nook and cranny of gothic Lankhmar, Nehwon’s grandest and most mystically corrupt city. Lankhmar is Leiber’s fully realized, vivid incarnation of urban decay and civilization’s corroding effect on the human psyche.

Lovecraft, master manipulator Fritz Leiber is a worldwide legend within the fantasy genre and actually coined the term Sword and Sorcery that describes the subgenre he helped create.

Twilight Forever Rising Lena Meydan 2010-09-28 Darel Ericson of the Dahanavar clan is a rarity among his vampire brethren: he’s an empath, strong enough to occasionally read thought as well as emotion. For centuries, his power has given the Dahanavar a significant advantage against the machinations of the other vampire families, an advantage which makes Darel both a powerful tool and a highly visible target. Fortunately for Darel, it is more useful for the heads of the other clans to maintain the centuries-long peace between the houses than to remove him. But, the cunning and violent head of the House of Nachterret is tired of the truce, and of hiding his presence in the world. The Nachterret would like nothing more than have free reign over the helpless human cattle upon which they feed.
